## Performance Boost of a Custom Trigger in a Drop-In Upgrade

Built from the ground up to perform better than your original Glock® trigger, the Zev Technologies Pro Trigger reduces travel while providing a crisp, clean pull with a glass like break. At the core of the Pro Trigger is Zev's proprietary trigger bar and professional connector that eliminates the "mushy" feel associated with factory triggers. The Pro Trigger's connector is engineered to provide a consistent, positive reset, and a reduction in trigger pull weight, without sacrificing the reliability or safety. Utilizing a revolutionary, riveted assembly process, the wide Pro Trigger pad and safety provide for improved control with less fatigue, especially on those long training sessions. Improved geometry for lightened trigger pull with crisp, positive reset Ergonomically correct trigger pad Mil-spec hard-anodized aluminum construction One of the longest lasting, most reliable replacement triggers available, the drop-in ready, Zev Technologies Pro Trigger enhances the feel and performance of your Glock without compromising factory safeties. Drop-in installation Ergonomically correct trigger pad Available for most GLOCK models Mil-Spec hard-anodized aluminum construction All ZEV Triggers include our NEW PRO connector

# PRO SERIES TRIGGERS FOR GLOCK® SMALL FRAME PRO TRIGGER BLK/BLK Safety Instructions

## Introduction

Thank you for choosing the PRO SERIES TRIGGERS FOR GLOCK® SMALL FRAME PRO TRIGGER BLK/BLK by ZEV Technologies. This guide provides essential safety instructions to ensure the safe use of your new trigger. Please read this document carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure that you follow all safety instructions to prevent accidents and injuries while using your trigger.
- **Enhanced Recalls:** Stay informed about potential recalls. If a recall notice is issued, follow the instructions provided for returning or repairing the product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations as required for physical stores.
- **Special Consumer Focus:** This product is not suitable for children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, consult the relevant EU-based contact or authority.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Trigger Safety:** Always treat your firearm as if it is loaded. Never point the firearm at anything you do not intend to shoot.
- **Installation Precautions:** Ensure the firearm is unloaded before beginning installation. Remove the magazine and check the chamber.
- **Use of Safety Gear:** Wear appropriate safety gear, including eye protection, when handling firearms.
- **Avoid Modifications:** Do not modify the trigger or any other part of the firearm without consulting a qualified gunsmith.
- **Training:** Seek professional training if you are unfamiliar with the operation of firearms or trigger systems.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, including a punch and a hammer.

### 2. Installation Steps:

- Remove the factory trigger from your Glock® according to the manufacturer's instructions.
- Carefully install the ZEV Technologies Pro Trigger by following these steps:
  - Align the trigger bar with the connector.
  - Insert the trigger assembly into the trigger housing.
  - Secure the assembly using the appropriate pins.
- Doublecheck that the trigger operates smoothly without binding.

### 3. Testing:

- After installation, conduct a function check:
  - Ensure the trigger resets properly.

- Check for a clean, crisp pull.
- If any issues are detected, consult a qualified gunsmith before using the firearm.

#### **4. Usage:**

- Use the trigger only with compatible Glock® models as specified: 17, 19, 22, 23, 34, 35, 26, 27, 31, 32, 33.
- Regularly inspect the trigger for wear or damage and replace as necessary.

## **Disposal Instructions**

- Dispose of any old triggers or parts in accordance with local regulations.
- Do not throw away in regular household waste. Contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For further support or inquiries regarding safety concerns, please reach out to your local authorized ZEV Technologies dealer or consult the ZEV Technologies website for more information.

By following these safety instructions, you can ensure a safer experience with your PRO SERIES TRIGGERS FOR GLOCK® SMALL FRAME PRO TRIGGER BLK/BLK. Thank you for prioritizing safety.
