## Performance Boost of a Custom Trigger in a Drop-In Upgrade

Built from the ground up to perform better than your original Glock® trigger, the Zev Technologies Pro Trigger reduces travel while providing a crisp, clean pull with a glass like break. At the core of the Pro Trigger is Zev's proprietary trigger bar and professional connector that eliminates the "mushy" feel associated with factory triggers. The Pro Trigger's connector is engineered to provide a consistent, positive reset, and a reduction in trigger pull weight, without sacrificing the reliability or safety. Utilizing a revolutionary, riveted assembly process, the wide Pro Trigger pad and safety provide for improved control with less fatigue, especially on those long training sessions. Improved geometry for lightened trigger pull with crisp, positive reset Ergonomically correct trigger pad Mil-spec hard-anodized aluminum construction One of the longest lasting, most reliable replacement triggers available, the drop-in ready, Zev Technologies Pro Trigger enhances the feel and performance of your Glock without compromising factory safeties. Drop-in installation Ergonomically correct trigger pad Available for most GLOCK models Mil-Spec hard-anodized aluminum construction All ZEV Triggers include our NEW PRO connector

# **Safety Instruction Guide for PRO SERIES TRIGGERS FOR GLOCK® ZEV TECHNOLOGIES SMALL FRAME PRO TRIGGER BLK/RED**

## **Introduction**

Thank you for choosing the PRO SERIES TRIGGERS FOR GLOCK® by ZEV Technologies. This product is designed to enhance the performance of your Glock® firearm. It is important to understand and follow the safety guidelines outlined in this document to ensure safe and effective use.

## **General Safety Guidelines**

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep the trigger area clear of obstructions and ensure that no fingers or objects are in contact with the trigger when handling the firearm.
- Store the trigger and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your trigger and firearm for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Only use the PRO SERIES TRIGGER with compatible Glock® models as specified.
- Do not modify the trigger or firearm beyond manufacturer specifications.
- Be aware of the reduced trigger pull weight and ensure that you are familiar with the trigger's sensitivity.
- Always use appropriate personal protective equipment (PPE) when handling firearms.
- Avoid using the trigger in adverse conditions (e.g., wet, muddy, or dusty environments) that may affect performance.

## **Instructions for Installation and Usage**

### **Installation Instructions**

#### **1. Preparation**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., punch tool, hammer).

#### **2. Remove the Factory Trigger**

- Follow the manufacturer's instructions to disassemble your Glock® and remove the factory trigger.

#### **3. Install the PRO SERIES TRIGGER**

- Insert the ZEV Technologies Pro Trigger into the trigger housing.
- Ensure that the proprietary trigger bar and connector are properly seated.
- Reassemble the firearm according to the manufacturer's instructions.

#### **4. Function Check**

- After installation, perform a function check to ensure the trigger operates correctly.
- Test the trigger pull and reset to confirm proper installation.

## **Usage Instructions**

- Practice safe handling techniques at all times.
- Regularly train with the new trigger to become familiar with its performance.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the trigger is damaged beyond repair, follow local guidelines for the disposal of firearm parts.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the PRO SERIES TRIGGERS FOR GLOCK®, please refer to the contact information provided with your product packaging or visit the manufacturer's website for additional resources.

This safety instruction guide is designed to ensure that you can use the PRO SERIES TRIGGERS FOR GLOCK® safely and effectively. Please keep this document for future reference and ensure that all users of the product are familiar with these safety guidelines.
