## Puts Your Finger on Championship Trigger Performance

The Zev Technologies Pro Curved Trigger Drop-In Kit for the Glock Gen 1-3 eliminates the “mushy” feel of a factory trigger by reducing travel and giving the trigger a crisp, clean pull with a glass like break. At the core of this overhaul kit is Zev’s proprietary trigger bar and professional connector engineered to provide a consistent, positive reset, and a reduction in trigger pull weight, without sacrificing the reliability or safety. The Pro Curved Trigger’s wide trigger pad and safety ensure you get a better purchase on the trigger for improved control with less fatigue - especially on those long training sessions. Improved geometry for lightened trigger pull with crisp, positive reset Ergonomically correct trigger pad Mil-spec hard-anodized aluminum construction The Zev Technologies Pro Curved Trigger Drop-In Kit for the Glock Gen 1-3 contains the trigger, trigger bar, trigger block, ejector, connector, trigger spring, and a lightweight stainless steel firing pin safety plunger and spring to further refine the trigger pull. Comes with a reduced-power striker spring to produce a lighter-feeling trigger for competition, and the factory-weight striker spring for daily carry and duty use.

# Safety Instruction Guide for PRO SERIES DROPIN TRIGGER KITS FOR GLOCK® GEN 13

## Introduction

Thank you for choosing the ZEV Technologies Pro Curved Trigger DropIn Kit for your Glock Gen 13. This product is designed to enhance your firearm's performance while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a safe backdrop when firing.
- Only use ammunition that is compatible with your firearm.
- Store the trigger kit and your firearm securely, away from children and unauthorized users.
- Regularly inspect your firearm and trigger kit for wear and tear.
- Follow all local laws and regulations regarding firearm usage.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your Glock before installing the trigger kit.
- Do not attempt to install the trigger kit if you are not confident in your ability to do so safely.
- Always wear appropriate safety gear, including eye and ear protection, when using your firearm.
- Be cautious of the lighter trigger pull weight; practice safe handling and shooting techniques.
- If you experience any malfunctions, stop using the firearm immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your Glock is unloaded and the magazine is removed. Doublecheck that the chamber is clear.
2. **Disassembly:** Carefully disassemble your Glock according to the manufacturer's instructions.
3. **Remove the Factory Trigger:**
  - Take out the existing trigger bar and connector.
  - Keep all parts organized for reassembly.
4. **Install the ZEV Trigger Kit:**
  - Insert the ZEV trigger bar and connector into the appropriate slots.
  - Ensure all components are seated correctly and securely.
5. **Reassemble the Glock:** Follow the manufacturer's instructions to reassemble your firearm.
6. **Function Check:** Before using, perform a function check to ensure the trigger operates correctly. Ensure that the safety features are functioning as intended.

### Usage

- After installation, familiarize yourself with the new trigger's feel and function.
- Conduct practice sessions in a controlled environment to adapt to the new trigger pull weight.
- Always adhere to safe firearm handling practices while using your Glock.

## **Disposal Instructions**

- Dispose of any old parts or packaging in accordance with local regulations.
- If the trigger kit is damaged or no longer functional, do not attempt to repair it. Dispose of it safely and responsibly.
- Consider recycling materials when possible.

## **Contact Information for Further Support**

For any questions, concerns, or safety inquiries regarding the ZEV Technologies Pro Curved Trigger DropIn Kit, please refer to the manufacturer's website or contact their customer service directly.

By following these safety instructions, you can enjoy the benefits of your ZEV Technologies Pro Curved Trigger DropIn Kit while ensuring your safety and the safety of others. Always prioritize safety when handling firearms and their accessories.
