## Forget About the "Mush!" - A Smooth, Precise, Superbly Responsive Trigger

Eliminate that "mushy" factory trigger feel with the drop-in ready, Zev Technologies Pro Curved Trigger Drop-In Kit for the Glock® Gen 4 and enjoy reduced trigger travel, plus a crisp, clean pull with a glass like break. Zev's proprietary trigger bar and professional connector are engineered to give you a consistent, positive reset, with a reduction in trigger pull weight, yet still retain the pistol's renowned reliability and safety. Rounding out the kit's accoutrements is a wide trigger pad and wide safety to give you better purchase for improved control with less fatigue - especially on those long training sessions. Trigger pad uses a revolutionary riveted assembly process that makes it one of the longest lasting, most reliable replacement triggers on the market. Improved geometry for lightened trigger pull with crisp, positive reset Ergonomically correct trigger pad Mil-spec hard-anodized aluminum construction Included in the Zev Technologies Pro Face Trigger Drop-In Kit for the Glock Gen 4 are: trigger, trigger bar, trigger block, ejector, connector, trigger spring, and a lightweight stainless steel firing pin safety plunger and spring to further refine the trigger pull. Comes with a reduced-power striker spring to produce a lighter-feeling trigger for competition, and the factory-weight striker spring for daily carry and duty use.

# PRO SERIES DROPIN TRIGGER KITS FOR GLOCK® GEN 4 SAFETY INSTRUCTIONS

## Introduction

Thank you for purchasing the PRO SERIES DROPIN TRIGGER KITS FOR GLOCK® GEN 4 by ZEV Technologies. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Ensure that the firearm is unloaded and the chamber is clear before installing or handling the trigger kit.
- Always follow the manufacturer's guidelines for the Glock® firearm.
- Keep the trigger kit and all firearm components out of reach of children and unauthorized users.
- Use appropriate protective gear, such as safety glasses and gloves, when handling firearms and accessories.
- Be aware of your surroundings and ensure a safe environment when using firearms.
- Regularly inspect the trigger kit for wear and damage. Replace any damaged components immediately.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the trigger kit with compatible Glock® Gen 4 models (17, 19, 22, 23, 34, 35, 26, 27, 31, 32, 33).
- Be cautious of potential hazards such as:
  - Accidental discharge during installation or handling.
  - Improper installation leading to malfunction.
- Always maintain a proper grip on the firearm to ensure control during use.
- Avoid using the firearm in conditions that may impair your ability to handle it safely, such as under the influence of drugs or alcohol.
- Ensure that the trigger pull weight is appropriate for your intended use, whether for competition or daily carry.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components included in the Zev Technologies Pro Face Trigger Dropin Kit: trigger, trigger bar, trigger block, ejector, connector, trigger spring, and stainless steel firing pin safety plunger and spring.
- Ensure your workspace is clean and free of distractions.

### 2. Installation Steps

- Ensure the firearm is unloaded and the chamber is clear.
- Remove the slide from the Glock® Gen 4.
- Follow the manufacturer's instructions to disassemble the components of the trigger mechanism.
- Replace the factory trigger components with the new components from the Zev Technologies kit, ensuring proper alignment and fit.
- Install the reduced power striker spring for a lighter trigger pull or the factory weight striker spring for daily carry.
- Reassemble the firearm according to the manufacturer's guidelines.

### 3. Testing

- After installation, perform a function check to ensure the trigger operates correctly.
- Verify that the trigger has a consistent and positive reset.
- Conduct dry fire practice in a safe environment to familiarize yourself with the new trigger feel before live fire.

#### **4. Usage**

- Use the firearm only in accordance with all local laws and regulations.
- Regularly practice safe handling and shooting techniques.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the trigger kit in regular household waste.
- Check with local authorities for proper disposal methods for firearm accessories.

## **Contact Information for Further Support**

For any questions or concerns regarding the PRO SERIES DROPIN TRIGGER KITS FOR GLOCK® GEN 4, please refer to the manufacturer's contact information provided on the packaging or the official website.

Thank you for choosing ZEV Technologies. Your safety is our priority. Please ensure you follow these guidelines for a safe and enjoyable experience with your new trigger kit.
