## Forget About the "Mush!" - A Smooth, Precise, Superbly Responsive Trigger

Eliminate that "mushy" factory trigger feel with the drop-in ready, Zev Technologies Pro Curved Trigger Drop-In Kit for the Glock® Gen 4 and enjoy reduced trigger travel, plus a crisp, clean pull with a glass like break. Zev's proprietary trigger bar and professional connector are engineered to give you a consistent, positive reset, with a reduction in trigger pull weight, yet still retain the pistol's renowned reliability and safety. Rounding out the kit's accoutrements is a wide trigger pad and wide safety to give you better purchase for improved control with less fatigue - especially on those long training sessions. Trigger pad uses a revolutionary riveted assembly process that makes it one of the longest lasting, most reliable replacement triggers on the market. Improved geometry for lightened trigger pull with crisp, positive reset Ergonomically correct trigger pad Mil-spec hard-anodized aluminum construction Included in the Zev Technologies Pro Face Trigger Drop-In Kit for the Glock Gen 4 are: trigger, trigger bar, trigger block, ejector, connector, trigger spring, and a lightweight stainless steel firing pin safety plunger and spring to further refine the trigger pull. Comes with a reduced-power striker spring to produce a lighter-feeling trigger for competition, and the factory-weight striker spring for daily carry and duty use.

# PRO SERIES DROPIN TRIGGER KITS FOR GLOCK® GEN 4 SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the PRO SERIES DROPIN TRIGGER KITS FOR GLOCK® GEN 4 by ZEV Technologies. This safety instruction guide is designed to ensure the safe and effective use of your new trigger kit. Please read this guide carefully before installation and use to ensure compliance with safety regulations and to maximize your experience with this product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of this trigger kit by following all instructions and guidelines provided in this manual. This product is intended for use in Glock® Gen 4 firearms only.
- **Enhanced Recalls:** Stay informed about product recalls. In the event of a safety issue, you will be notified through standardized recall notices.
- **Online Shopping:** If purchased online, ensure that the seller complies with all safety requirements. Verify the product's authenticity and safety certifications.
- **Special Consumer Focus:** This product is not intended for use by individuals under the age of 18. Keep out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Stay updated on any safety alerts related to this product by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Ensure the firearm is unloaded before beginning installation.
  - Avoid working in a cluttered or distracting environment.
- **Usage Safety:**
  - Always treat your firearm as if it is loaded.
  - Use proper eye and ear protection when testing the trigger.
  - Avoid using the firearm in unsafe conditions (e.g., wet or slippery environments).
- **Maintenance Safety:**
  - Regularly inspect the trigger kit for wear or damage.
  - Only use manufacturer recommended parts and accessories.
- **Storage Safety:**
  - Store the trigger kit and firearm in a secure location, away from unauthorized users.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:**
  - Gather necessary tools: a punch tool, a small hammer, and a flat surface for assembly.
  - Ensure the Glock® Gen 4 firearm is completely unloaded.
2. **Remove Factory Trigger:**
  - Disassemble the firearm according to the manufacturer's instructions.
  - Carefully remove the factory trigger components.

### **3. Install the ZEV Trigger Kit:**

- Insert the trigger bar into the trigger housing.
- Attach the trigger pad to the trigger bar using the riveted assembly process.
- Install the trigger block, ejector, connector, and trigger spring as per the provided assembly diagram.

### **4. Final Assembly:**

- Reassemble the firearm according to the manufacturer's instructions.
- Ensure all components are securely in place.

### **5. Testing:**

- Perform a function check to ensure proper installation and operation.
- Dry fire the firearm in a safe direction to confirm trigger functionality.

## **Usage Instructions**

- Operational Use:**

- Familiarize yourself with the new trigger feel before engaging in live fire.
- Practice trigger control and reset to enhance accuracy and safety.

- Training Recommendations:**

- Consider professional training to maximize the benefits of the upgraded trigger.
- Regularly practice safe handling and shooting techniques.

## **Disposal Instructions**

- Disposal of Old Parts:**

- Follow local regulations for disposing of old trigger components and parts.
- Ensure that any nonfunctioning parts are disposed of safely to prevent misuse.

- Environmental Considerations:**

- Recycle materials where possible, such as aluminum and steel components, in accordance with local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the PRO SERIES DROPPIN TRIGGER KITS FOR GLOCK® GEN 4, please refer to the contact information provided by your retailer or manufacturer. It is important to address any uncertainties you may have regarding installation, usage, or safety.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new trigger kit. Thank you for your attention to safety and for choosing ZEV Technologies.
