## **HANDGUARD ALUMINUM FOR MARLIN 1895 13.625" BLACK M-LOK**

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

### **Tactical Upgrade That Makes Old School Cool Again**

Why should the "modern sporting rifles" get all the accessory-mounting options? What about the original light, maneuverable, high-capacity carbine - the lever action? Midwest Industries has answered those questions with their Marlin M-LOK™ Handguard that provides a sturdy platform for mounting a light, laser, and just about any other tactical accessory on Marlin lever actions. The Marlin 1895 is still the carry gun of choice for folks operating in bear country, or anywhere else the AR-15's .223 cartridge (even the AK's 7.62x39) isn't going to have enough persuading power to get the job done. The folks at MI made sure their Marlin M-LOK handguard is slender and lightweight, so it adds the bare minimum of bulk to your 1895, 1894, or 336 (see fitting note below). Installation is easy and requires no permanent modifications to the rifle, so you can return it to its original configuration any time. Machined 6061 T6 aluminum (like tactical AR handguards) Hardcoat anodized finish, matte black 13.625" OAL x 1.64" wide at widest point Weighs only 6 oz.! Fits rifles with a forend cap; will NOT fit rifles with a forward barrel band (see note below) The Marlin M-LOK handguard comes with a bolt-on 5-slot Picatinny rail section, so you can mount Picatinny accessories, too. The forward-mounted sling swivel stud is compatible with swivels for conventional hunting slings. Genuine new developments in the world of lever actions are rare these days - but here's one that brings a big dose of extra versatility to an already exceptionally handy, versatile rifle. Brownells GunTech™ Note: The Midwest Industries Marlin M-LOK handguard fits Marlin 1895 (excluding the CB model), Marlin 1894, and 336 rifles with a cap at the forward end of the forearm. DOES NOT fit rifles/carbines with a barrel band around the forearm and the barrel itself.

# MARLIN 1895 HANDGUARD MLOK SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for purchasing the MARLIN 1895 HANDGUARD MLOK by Midwest Industries. This handguard is designed to enhance the versatility and functionality of your Marlin lever action rifle. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for any signs of wear or damage.
- Follow all local laws and regulations regarding the use and modification of firearms.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or adjusting the handguard.
- Do not exceed the manufacturer's weight limits for accessories mounted on the handguard.
- Avoid using the handguard in extreme temperatures or environmental conditions that may affect its integrity.
- Be cautious when mounting accessories to avoid pinching fingers or causing injury.
- Use only compatible accessories as specified in the product description.
- If you notice any damage or instability in the handguard during use, cease operation immediately and inspect the product.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, such as a torque wrench and appropriate screws.

### 2. Installation:

- Remove the existing forend if applicable.
- Align the Marlin MLOK handguard with the rifle's mounting points.
- Secure the handguard using the provided screws, ensuring they are tightened to the manufacturer's specifications without overtorquing.
- Attach the included 5slot Picatinny rail section to the desired MLOK slots for accessory mounting.

### 3. Usage:

- Once installed, test the stability of the handguard by applying gentle pressure to ensure it is securely mounted.
- Mount accessories such as lights or lasers to the Picatinny rail as per the accessory manufacturer's instructions.
- Regularly check the tightness of screws and the condition of the handguard during use.

## **Disposal Instructions**

- Dispose of the handguard and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the handguard in fire, as it may release harmful substances.

## **Contact Information for Further Support**

For any safety inquiries or support related to the MARLIN 1895 HANDGUARD MLOK, please refer to the manufacturer's website or customer service resources.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MARLIN 1895 HANDGUARD MLOK. Thank you for your attention to safety and responsible firearm ownership.
