## MAGAZINE WELL FOR S&W M&P SHIELD, BLACK

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

Samson Manufacturing's one-piece, no-gunsmithing magazine well brings even more control to Smith & Wesson's M&P®9 SHIELD. You will be able to establish a full firing grip which increases your control for rapid shot recovery. Your expended magazines will now be allowed to drop-free without you having to adjust your grip. Beveling on the base of the magwell makes reloads quicker and fumble-free. More comfortable, easier to shoot and easier to reload. M&P®9 SHIELD™ & M&P®9 SHIELD M2.0™ The only no-gunsmithing magwell Beveled magwell cuts reload times Works with factory 8rd magazines or with the Samson +1 magazine extension No permanent modifications to your pistol are required Extended finger groove allows full grip for increased control Allows magazines to drop freely.

# M&P SHIELD MAG WELL SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the M&P SHIELD MAG WELL from Samson Manufacturing Corp. This guide provides essential safety instructions and guidelines for the safe use and installation of your magazine well. Please read this document carefully to ensure safe and effective use of your product.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the magazine well.
- Keep the magazine well and any related accessories out of reach of children and unauthorized users.
- Inspect the magazine well regularly for any signs of wear or damage. If you notice any issues, discontinue use immediately.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- Be aware of the potential hazards associated with firearms and always handle them with care.

## Specific Safety Precautions for Use

- Ensure a proper fit: The M&P SHIELD MAG WELL is designed specifically for Smith & Wesson M&P®9 SHIELD models. Do not attempt to use it with other firearms.
- Avoid using the mag well if you experience difficulty in installation or if it does not fit securely. Consult a professional if necessary.
- Always maintain a firm grip on your firearm when using the magazine well to prevent accidental drops or misfires.
- Be mindful of your surroundings when reloading to avoid any accidents or injuries.
- Do not attempt to modify the magazine well or your firearm in any way that is not recommended by the manufacturer.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is completely unloaded.
- Remove the existing magazine from your firearm.
- Align the magazine well with the grip of the M&P®9 SHIELD.
- Press the magazine well firmly into place until it is securely fitted.
- Check for any gaps or misalignment. If present, remove and reinstall the magazine well.

### 2. Usage:

- With the magazine well installed, load your magazine as per standard procedure.
- When ready to shoot, ensure your grip is secure and that you are in a safe shooting position.
- After firing, allow the magazine to drop freely by releasing your grip slightly.
- Reload by inserting a new magazine into the mag well, ensuring it is seated correctly.

## Disposal Instructions

- When disposing of the magazine well, ensure it is done in accordance with local regulations regarding firearm accessories.
- Do not dispose of the magazine well in regular household waste. Check for any specific disposal guidelines from local authorities or recycling centers.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the M&P SHIELD MAG WELL, please contact the manufacturer or a qualified professional for assistance. Always ensure you are following up to date safety guidelines and regulations.

## **Conclusion**

Your safety is our priority. By following these instructions and guidelines, you can ensure a safe and enjoyable experience with your M&P SHIELD MAG WELL. Always prioritize safety when handling firearms and accessories. Thank you for your attention to these important safety measures.
