# M&P SHIELD MAGAZINE EXTENSION SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the M&P Shield Magazine Extension by Samson Manufacturing Corp. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your magazine extension. Please read this document carefully before using the product.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or detaching the magazine extension.
- Inspect the magazine extension for any signs of damage before each use.
- Keep the magazine extension out of reach of children and unauthorized users.
- Do not use the magazine extension with any other type of firearm or magazine not specified in this guide.
- Ensure that you are familiar with the operation of your M&P Shield firearm before using the magazine extension.
- Always follow local laws and regulations regarding firearm accessories and usage.

## Specific Safety Precautions for Use

- Ensure that the magazine extension is securely attached to the magazine before use.
- Do not attempt to force the magazine extension onto the magazine; it should fit snugly without excessive pressure.
- Be aware of potential pinch points when loading or unloading the magazine.
- If you experience a malfunction while using the magazine extension, follow the manufacturer's instructions for clearing malfunctions.
- Do not use the magazine extension while the firearm is in a holster or concealed.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the magazine from the firearm.
- Slide the magazine extension onto the base of the magazine until it clicks into place.
- Verify that the magazine extension is securely attached by gently pulling on it.

### 2. Usage:

- Insert the magazine into the firearm as you would with a standard magazine.
- Ensure that the magazine is fully seated in the firearm before attempting to fire.
- When reloading, utilize the contoured leading edge of the magazine extension to facilitate onehanded reloads.

### 3. Clearing Malfunctions:

- In the event of a Type III malfunction (doublefeed), use the relief cuts on the magazine extension to aid in extracting the magazine.
- Follow standard procedures for malfunction clearing as outlined in your firearm's manual.

## **Disposal Instructions**

- Dispose of the magazine extension in accordance with local regulations for electronic waste and firearm accessories.
- If the magazine extension is damaged or no longer functional, do not attempt to repair it. Dispose of it responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the M&P Shield Magazine Extension, please refer to the manufacturer's website or contact their customer support for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your M&P Shield Magazine Extension. Always prioritize safety and be aware of your surroundings when handling firearms and accessories. Thank you for your attention to these important guidelines.
