

# POCKET COMP FOR M&P SHIELD - SAMSON MANUFACTURING CORP POCKET COMP FOR S&W SHIELD, BLACK

[Handgun Parts](#) > [Barrel Parts](#) > [Muzzle Devices](#) > [Compensators](#)

Designed to fit 1/2 x 28 threaded barrels, the Samson Pocket Comp for the M&P Shield and Shield 2.0 9mm installs in minutes without the need for gunsmithing. The Samson design uses a threaded interface which protects the barrel threads unlike conventional compensators. The Samson Pocket Comp for M&P 9 Shield blends with the aesthetic lines of the slide, creating the image of a slide extension. Machined from 7075 aircraft-grade billet, the Pocket Comp is Mil-Spec hard coat anodized for durability. The Pocket Comp efficiently reduces felt recoil and muzzle rise, allowing faster recovery between shots. It functions with the factory recoil spring using a wide range of bullet weights and velocities (124gr or heavier is recommended, may work with 115gr depending on manufacturer and/or environmental conditions). Threaded barrel NOT included Reduces felt recoil and muzzle rise, allowing faster recovery between shots Ideal for iron-sight or red-dot equipped pistols Threads on to any 1/2x28 threaded 9mm barrel (not included) Machined from aircraft-grade 7075 billet with mil-std hard coat anodize for durability No-gunsmiting, easy installation/removal Functions with factory recoil spring using a wide range of bullet weights and velocities (124gr or heavier, may work with 115gr depending on manufacturer and/or temperature)

# Safety Instruction Guide for POCKET COMP FOR M&P SHIELD

## Introduction

Thank you for choosing the POCKET COMP FOR M&P SHIELD by Samson Manufacturing Corp. This product is designed to enhance your shooting experience by reducing felt recoil and muzzle rise. To ensure safe and effective use, please follow the safety guidelines and instructions provided in this manual.

## General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that the firearm is unloaded before installing or removing the Pocket Comp.
- Only use the Pocket Comp with compatible 1/2 x 28 threaded barrels.
- Regularly inspect the Pocket Comp for any signs of wear or damage.
- Store the Pocket Comp and firearm in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the Pocket Comp is securely attached to the threaded barrel before use.
- Do not exceed the recommended bullet weight of 124 grains or heavier; use caution with lighter bullets (115 grains) based on manufacturer specifications.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not attempt to modify or disassemble the Pocket Comp.
- If you experience unusual performance or malfunctions, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Threading:** Locate the 1/2 x 28 threaded barrel on your M&P Shield.
3. **Attach the Pocket Comp:**
  - Align the threads of the Pocket Comp with the barrel.
  - Screw the Pocket Comp onto the barrel clockwise until it is securely in place.
4. **Check Security:** Ensure that the Pocket Comp is firmly attached by gently pulling on it. It should not come loose.

### Usage

- Use the Pocket Comp only with compatible firearms and under safe shooting conditions.
- Follow all local laws and regulations regarding the use of firearm accessories.
- After shooting, inspect the Pocket Comp and firearm for any signs of damage or wear.

## Disposal Instructions

- Dispose of the Pocket Comp responsibly.
- Check local regulations regarding disposal of firearm accessories.
- If the Pocket Comp is damaged or no longer usable, consider recycling materials where appropriate.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the POCKET COMP FOR M&P SHIELD, please contact the manufacturer or refer to the product website for additional resources.

Thank you for prioritizing safety while using the POCKET COMP FOR M&P SHIELD. Your responsible handling of this product contributes to a safer shooting experience for everyone.
