

# AR-15 9MM CONVERSION ADAPTER - STERN DEFENSE AR-15 9MM CONVERSION ADAPTER FOR GLOCK® MAGAZINES

[Rifle Parts](#) > [Receiver Parts](#) > [Caliber Conversion Kits](#)

## Easily Convert Your Lower to 9mm

There's no need to go with a pistol-caliber specific AR lower on your next pistol-caliber carbine build. With the Stern Defense AR-15 9mm Conversion Adapter you have the ability to utilize popular pistol magazines which you may already have a supply of. Stern Defense make two different models of their Conversion Adapter, one which uses Glock® magazines, and one which uses either Smith & Wesson M&P or Sig 320/250 magazines. The Stern Defense AR-15 9mm Conversion Adapter is easily installed into any mil-spec AR-15 lower receiver within seconds and even incorporates a last-round bolt hold open feature. Each adapter is machined from aluminum and requires the use of a 9mm/.40 S&W barrel and a Glock-cut bolt. Made of aircraft grade aluminum Lightweight, ergonomic design Installs in seconds If you're considering converting your AR-15 to a 9mm, give the Stern Defense Adapter a thought!

# Safety Instruction Guide for AR15 9MM Conversion Adapter

## Introduction

Thank you for choosing the Stern Defense AR15 9MM Conversion Adapter. This product allows you to convert your AR15 platform to use 9mm ammunition with Glock® magazines. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle firearms and firearm components with care.
- Ensure that you are using the correct ammunition for your firearm.
- Store the adapter and all firearm components securely and out of reach of children.
- Regularly inspect the adapter and your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the adapter with a milspec AR15 lower receiver.
- Ensure that the adapter is compatible with your specific Glock® magazines.
- Always check that the firearm is unloaded before installation.
- Avoid using the adapter with any other type of magazine that is not specified.
- Do not exceed the maximum recommended load for the ammunition used.
- Use appropriate protective gear, such as eye and ear protection, when firing your firearm.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure that your AR15 lower receiver is clean and free from debris.
2. **Check Compatibility:** Confirm that you have a Glockcut bolt and a 9mm/.40 S&W barrel.
3. **Install the Adapter:**
  - Remove any existing components that may interfere with the installation.
  - Insert the Stern Defense AR15 9MM Conversion Adapter into the lower receiver.
  - Ensure that the adapter is seated properly and securely.
4. **Final Check:** Verify that the lastround bolt hold open feature is functioning correctly.

### Usage

1. **Loading:** Load your Glock® magazine with the appropriate 9mm ammunition.
2. **Firing:** Follow standard firearm safety practices when firing your weapon.
3. **PostFiring:** After use, ensure that the firearm is unloaded before removing the adapter.

## Disposal Instructions

- Dispose of the adapter in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the adapter in regular household waste.
- If the adapter is damaged or no longer usable, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the safety or usage of the Stern Defense AR15 9MM Conversion Adapter, please refer to the manufacturer's website or contact their customer support.

By following these guidelines, you can ensure a safe and enjoyable experience with your Stern Defense AR15 9MM Conversion Adapter. Thank you for your attention to safety!
