[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

In the constant quest for improvement, engineers developed the Mission First Tactical AR-15 Engage Version 2 Pistol Grip with an enhanced 15-degree grip angle, which offers better comfort and more control, especially with wet hands or when wearing gloves. The grip is molded from durable polymer and includes a receiver-gap tab that closes the gap that might otherwise cause discomfort for the shooter. If needed, the tab can be removed easily.

## Introduction

Thank you for choosing the Mission First Tactical AR15 Engage Version 2 Pistol Grip. This guide provides essential safety instructions to ensure the safe and effective use of your new product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used in accordance with all applicable laws and regulations.
- Always inspect the grip before use for any signs of damage or wear.
- Keep the grip out of reach of children and unauthorized users.
- Be aware of your surroundings when using the firearm equipped with this grip.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not use the pistol grip if it is damaged or if any part is missing.
- Ensure your hands are dry and free from any substances that may cause slippage when handling the firearm.
- When using gloves, ensure they are properly fitted to maintain control.
- Avoid using the grip in extreme weather conditions that may affect performance.
- Regularly clean and maintain the grip to ensure optimal performance and safety.
- If you experience discomfort while using the grip, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installation.
- Remove the existing grip from the firearm according to the manufacturer's instructions.
- Align the Mission First Tactical AR15 Engage Version 2 Pistol Grip with the firearm's receiver.
- Secure the grip using the provided screws, ensuring they are tightened but not overtightened to avoid damage.
- Check that the grip is firmly attached and does not move.

### 2. Usage:

- Hold the grip with a firm but comfortable grip.
- Maintain a proper stance and positioning when aiming and firing.
- Be aware of the grip's 15degree angle, which is designed to enhance comfort and control.
- If the receivergap tab is installed, ensure it is properly positioned to avoid discomfort.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for polymer materials if available in your area.
