

# KEYMOD PICATINNY RAIL SECTION - MISSION FIRST TACTICAL

## KEYMOD PICATINNY RAIL SECTION 3 ALUMINUM BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Simple customization is available on any KeyMod handguard, thanks to the Mission First Tactical KeyMod Picatinny Rail Section. These 3-inch rail attachments allow for secure mounting on any compatible handguard and provide durable, dependable accessory attachments, thanks to its self-contained, stainless-steel mounting hardware. The rail is made from durable 6061 aluminum and features a hard-anodized finish. Seven Picatinny slots are provided in each 3-inch section.

# KEYMOD Picatinny Rail Section Safety Instructions

## Introduction

Thank you for choosing the KEYMOD Picatinny Rail Section by Mission First Tactical. This guide provides important safety information to ensure the safe and effective use of your rail section. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used as intended and according to the manufacturer's instructions.
- Regularly inspect the rail section for any signs of damage or wear.
- Keep the rail section out of reach of children and vulnerable individuals.
- Use only compatible accessories with the KeyMod handguard to avoid accidents.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the rail section.
- Use appropriate tools for installation to avoid damage to the rail or handguard.
- Do not exceed the weight limit of the rail section when attaching accessories.
- Ensure that all mounting hardware is securely tightened before use.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Gather necessary tools: a suitable wrench or screwdriver.
- Ensure your firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps

- Locate the KeyMod slots on your handguard.
- Align the rail section with the desired KeyMod slot.
- Insert the stainlesssteel mounting hardware through the rail section and into the KeyMod slot.
- Tighten the hardware securely using the appropriate tool. Ensure it is firmly attached but do not overtighten to prevent damage.

### 3. Usage Guidelines

- Attach compatible accessories to the rail section as needed.
- Regularly check the tightness of the rail section during use, especially after heavy use or if you notice any movement.
- If you notice any damage or instability, remove the rail section and inspect it before further use.

## Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of in a way that does not pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety of this product, please reach out to your local distributor or the manufacturer. They can provide further assistance and information regarding safety practices, recalls, and other important updates.

By following these safety instructions, you can ensure the safe and effective use of your KEYMOD Picatinny Rail Section. Thank you for your attention to these guidelines and for choosing Mission First Tactical.
