

UNIVERSAL PUMP/SEMI AUTO SHOTGUN SHELL CARRIER - Aridus Industries UNIVERSAL PUMP/SEMI AUTO SHOTGUN SHELL CARRIER

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

Access Additional Shotshells on Any Shotgun

Many of today's popular receiver-mounted shotshell carriers are designed for popular Remington 870 or Mossberg 500 shotguns and nothing else! If you own one of the dozens of other popular shotguns on the market and want spare rounds on-board your gun, then the Aridus Universal Shotgun Shell Carrier is designed to work on your gun. Unlike other model-specific shell carriers, the Aridus Universal Shotgun Shell Carrier doesn't depend on receiver-screw alignment to attach. Instead, the unit uses an incredibly powerful adhesive that's designed to stay secured to a shotgun receiver in any condition, thanks to heat- and cold-resistant composition that stays secure in temperatures ranging from -30 to 230 degrees Fahrenheit. The Universal Shotgun Shell Carrier also features access cutouts that enable shotgun owners to access critical receiver pins for disassembly. The shell carrier is built to work with both pump and semi-auto actions alike.

Attributes

- Name: [Aridus Industries UNIVERSAL PUMP/SEMI AUTO SHOTGUN SHELL CARRIER](#)
- Manufacturer: [Aridus Industries](#)
- Product no.: 100027572

Safety Instruction Guide for the UNIVERSAL PUMP/SEMI AUTO SHOTGUN SHELL CARRIER

Introduction

Thank you for purchasing the UNIVERSAL PUMP/SEMI AUTO SHOTGUN SHELL CARRIER from Aridus Industries. This guide provides essential safety instructions to ensure the safe use and installation of your shell carrier. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the shell carrier is compatible with your shotgun model before installation.
- Always handle your shotgun and ammunition with care and respect.
- Keep the shell carrier out of reach of children and unauthorized users.
- Regularly inspect the shell carrier for any signs of wear or damage.
- In case of any concerns regarding the product's safety, report it to the appropriate authorities.

Specific Safety Precautions for Use

- Use the shell carrier only for its intended purpose: to hold shotgun shells securely.
- Do not overload the shell carrier beyond its specified capacity of 6 rounds.
- Ensure that the adhesive is properly affixed to the shotgun receiver before use.
- Avoid exposing the shell carrier to extreme temperatures beyond its rated limits (30 to 230 degrees Fahrenheit).
- If using in adverse weather conditions, regularly check the integrity of the adhesive bond.

Instructions for Installation and Usage

1. Preparation:

- Clean the surface of your shotgun receiver where the shell carrier will be attached.
- Ensure that the surface is dry and free from oil or debris.

2. Installation:

- Remove the backing from the adhesive on the shell carrier.
- Carefully position the shell carrier on the receiver, ensuring it aligns correctly.
- Press firmly for at least 30 seconds to ensure a secure bond.
- Allow the adhesive to cure for the recommended time as per the manufacturer's guidelines before loading shells.

3. Usage:

- Load shells into the carrier carefully, ensuring they fit securely.
- When disassembling your shotgun, use the access cutouts to reach critical receiver pins without removing the shell carrier.
- Always store your shotgun in a secure location when not in use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the shell carrier becomes damaged or unusable, dispose of it responsibly, ensuring it does not pose a risk to the environment.

Contact Information for Further Support

For any inquiries regarding safety concerns or product information, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for taking the time to read and understand these safety instructions. Your safety and the safe handling of your shotgun are of utmost importance. Enjoy your new UNIVERSAL PUMP/SEMI AUTO SHOTGUN SHELL CARRIER responsibly!
