

# BERETTA 1301/MOSSBERG 590 SGA STOCK ADAPTER

[Home](#)

Shotgunners across the nation have raved about Magpul's SGA shotgun stock designed particularly for the Mossberg 590. However, owners of the Beretta 1301 haven't been able to take advantage of this popular design. Aridus Industries changes all that with its Beretta 1301/Mossberg 590 SGA Stock Adapter. This adapter design is machined from 6061 aluminum and features a hardcoat-anodized finish that meets military specifications. The aluminum adapter is mated to a custom-designed fastener that's machined from durable 4140 steel and allows for the attachment of the SGA stock. Now, owners of the light, handy Beretta 1301 can take advantage of the enhanced ergonomics of the Magpul SGA shotgun stock, offering length-of-pull adjustments, sling-mounting points and more.

# Safety Instruction Guide for BERETTA 1301/MOSSBERG 590 SGA STOCK ADAPTER

## Introduction

Thank you for choosing the Beretta 1301/Mossberg 590 SGA Stock Adapter by Aridus Industries. This product allows you to enhance the ergonomics of your shotgun by enabling the use of the Magpul SGA shotgun stock. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms and firearm accessories responsibly and in a safe manner.
- Regularly inspect the adapter and stock for wear or damage before use.
- Store the adapter in a secure location, away from children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Only use the Beretta 1301/Mossberg 590 SGA Stock Adapter with compatible models of shotguns.
- Ensure that the adapter is properly installed before using the shotgun.
- Do not modify the adapter or attempt to use it with noncompatible products.
- Always ensure that the shotgun is unloaded before installing or removing the adapter.
- Be aware of your surroundings when using the shotgun to prevent accidents.
- Use appropriate protective gear, such as eye protection, when handling firearms.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Tools:** You will need a suitable screwdriver and any additional tools specified in the product manual.
2. **Prepare the Shotgun:** Ensure that the shotgun is completely unloaded and the safety is engaged.
3. **Remove Existing Stock:** Carefully remove the existing stock from the shotgun by following the manufacturer's instructions.
4. **Attach the Adapter:**
  - Align the adapter with the shotgun's receiver.
  - Insert the customdesigned fastener into the appropriate mounting points.
  - Tighten the fastener securely, ensuring that the adapter is firmly attached.
5. **Install the SGA Stock:**
  - Follow the instructions provided with the Magpul SGA shotgun stock to attach it to the adapter.
  - Adjust the lengthofpull as needed for your comfort.
6. **Final Check:** Ensure that all components are secure and functioning correctly before using the shotgun.

### Usage Instructions

- Always check that the shotgun is unloaded before handling.
- Familiarize yourself with the controls of the shotgun and the SGA stock.
- Practice safe handling and shooting techniques at all times.
- Regularly inspect the adapter and stock for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the adapter in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Beretta 1301/Mossberg 590 SGA Stock Adapter, please refer to the contact information provided in the product packaging or on the manufacturer's website.
