# PIG SADDLE SHADOWTECH Safety Instruction Guide

## Introduction

Thank you for choosing the PIG SADDLE SHADOWTECH. Designed by a Marine Scout Sniper and OIF Veteran, this rifle rest is engineered for the avid hunter. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the PIG SADDLE is used in accordance with the manufacturer's instructions.
- Always check the product for any visible damage before use. Do not use if damaged.
- Keep the PIG SADDLE away from children and vulnerable individuals.
- Use the product only for its intended purpose as a rifle rest.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Weight Limit:** The PIG SADDLE is designed to support rifles within a specific weight range. Ensure your rifle does not exceed 1.4 lbs.
- **Stability:** Always ensure that the tripod platform is stable and secure before mounting the PIG SADDLE.
- **Recoil Management:** The UV resistant pads are designed to absorb rifle recoil. Ensure that the pads are properly positioned to maximize effectiveness.
- **OneHanded Operation:** Practice using the PIG SADDLE with one hand to ensure you can operate it safely and effectively while maintaining control of your rifle.
- **Environmental Conditions:** Avoid using the PIG SADDLE in extreme weather conditions that could compromise its stability or your safety.

## Instructions for Installation and Usage

### 1. Mounting the PIG SADDLE:

- Ensure the tripod platform is on a flat, stable surface.
- Securely attach the PIG SADDLE to the tripod using the 1/420 or 3/816 thread attachments.
- Tighten the attachment until secure, ensuring there is no movement.

### 2. Positioning Your Rifle:

- Place your rifle on the PIG SADDLE, ensuring it is centered and stable.
- Adjust the position of the rifle as necessary to achieve the desired angle and stability.
- Ensure that the UV resistant pads are in contact with the rifle to absorb recoil.

### 3. Using the PIG SADDLE:

- Practice using the PIG SADDLE before heading out for a hunt to become familiar with its operation.
- When ready to take a shot, ensure your position is stable, and the rifle is secure in the PIG SADDLE.
- Always keep your finger off the trigger until you are ready to shoot.

### 4. PostUse Care:

- After use, remove the rifle carefully and store the PIG SADDLE in a safe, dry place.
- Clean the PIG SADDLE as necessary to maintain its condition and functionality.

## **Disposal Instructions**

- Dispose of the PIG SADDLE in accordance with local regulations for metal and plastic waste.
- Do not dispose of the product in household waste bins. Check for recycling facilities in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the PIG SADDLE, please refer to the manufacturer's website or customer service for support.
