## Ideal for Your Clone Rifle Build

B5 Systems and Brownells are pleased to offer for a limited time Government Issue AR-15 SOPMOD stocks. Very similar to the Enhanced SOPMOD stocks which are so popular, these SOPMOD Stocks were over runs from a production run for the U.S. Government. If you are looking for complete accuracy in a clone rifle build you can do no better than these stocks. These differ from their commercial counterparts in that they do not have a QD mount, and do not have the commercial logo on them. Available in Black or Coyote No QD mount No commercial logo These are packaged in the same packaging as delivered to the U.S. Government.

# Safety Instruction Guide for AR15 Government Issue SOPMOD Stock

## Introduction

Thank you for choosing the AR15 Government Issue SOPMOD Stock by B5 Systems. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Inspect the stock for any visible damage or defects before installation.
- Always handle firearms safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- If you notice any unusual behavior or damage during use, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not use the stock with any firearm that is not compatible with AR15 specifications.
- Ensure that the stock is securely attached to the firearm before use.
- Avoid using the stock in extreme environmental conditions, such as excessive heat or cold, which may affect its performance.
- Regularly check the stock for signs of wear and tear, and replace it if necessary.
- Do not modify the stock in any way, as this may compromise its safety and functionality.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and the safety is engaged.
- Remove the existing stock from the firearm, if applicable.
- Align the SOPMOD stock with the buffer tube and slide it into place.
- Secure the stock using the provided locking mechanism, ensuring it is firmly attached.

### 2. Usage:

- Adjust the stock to the desired length by pressing the adjustment lever and sliding the stock to the appropriate position.
- Confirm that the stock is locked in place before firing.
- Maintain a proper grip and stance when using the firearm with the stock installed.

## Disposal Instructions

- When disposing of the stock, follow local regulations regarding the disposal of polymer materials.
- Do not incinerate the stock, as it may release harmful substances.
- If the stock is damaged beyond repair, contact your local waste management facility for proper disposal methods.
