

SPRINGFIELD ARMORY EMP TRIGGER - HARRISON DESIGN & CONSULTING LONG SPRINGFILED EMP TRIGGER, BLACK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Enhances the Springfield Armory EMP

Built to enhance the shootability of the popular Springfield Armory EMP pistol, the Extreme Service Springfield Armory EMP Trigger features specially built construction that provides a number of benefits over the factory trigger design. Constructed from hardened stainless steel, each Extreme Service Springfield Armory EMP Trigger is highly polished to minimize the amount of friction encountered during the trigger pull. Additionally, the design features a smooth face that won't irritate the pad of a shooter's finger during long hours of practice. Additionally, an over-travel stop is fixed into place to enhance reliability. Curved trigger design Available in natural or DLC coated designs Can be had in black or silver colors The Extreme Service Springfield Armory EMP Trigger is available in a number of finishes and cannot be used in standard 1911 pistols.

Safety Instruction Guide for Springfield Armory EMP Trigger

Introduction

Thank you for choosing the Extreme Service Springfield Armory EMP Trigger by Harrison Design & Consulting. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure that the product is used only with the Springfield Armory EMP pistol.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- If you experience any issues with the trigger, do not use the firearm until the problem is resolved.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the trigger only in a safe and controlled environment.
- Avoid placing your finger on the trigger until you are ready to shoot.
- Ensure that the firearm is pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that there is a safe backstop when firing.
- Do not modify the trigger or firearm beyond the manufacturer's specifications.
- Always wear appropriate eye and ear protection when using the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory trigger following the manufacturer's instructions.
- Install the Extreme Service Springfield Armory EMP Trigger by aligning it properly within the trigger mechanism.
- Secure the trigger according to the manufacturer's guidelines.
- Perform a functionality test to ensure proper installation before using the firearm.

2. Usage:

- Familiarize yourself with the trigger's operation before using it in practice or competition.
- During practice sessions, gradually increase your shooting time to avoid fatigue.
- Monitor the trigger's performance and inspect it regularly for signs of wear.

Disposal Instructions

- Dispose of the trigger and any associated components in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For further support or inquiries regarding safety and usage of the Extreme Service Springfield Armory EMP Trigger, please consult the manufacturer's resources or visit the official website for more information.

By following these safety guidelines, you can ensure a safe and enjoyable experience with your Springfield Armory EMP Trigger. Thank you for your attention to these important safety measures.
