## Duty/Carry Sights for Operation in Any Light Conditions

The standard-issue night sight set for the FBI and US Marshals! AmeriGlo's Agent night sight set for Glock® is a major step forward in night sight design that delivers improved visibility and faster sight acquisition in any lighting conditions. These are low-profile, fixed sights designed to meet the daily carry needs of law enforcement officers. AmeriGlo Agent sights for Glock® employ the proven 3-dot configuration preferred by many experienced shooters. The ProGlo style front blade has a vivid green Tritium lamp surrounded by a bright orange outline, so there's no trouble identifying your front sight under stress. The fixed rear sight has a rounded U-notch flanked by two green Tritium lamps with subdued black outlines. Drop-in replacements for factory sights Swiss-made self-illuminating Tritium lamps are backed by a 12-year warranty. Rear U-notch (all): .165" wide Front sights: .140" wide (G42,43 is .125" Wide) Glock® 9mm/.40 S&W/.357 SIG front: .180" high Glock® 10mm/.45 ACP front: .165" high Glock® 42/43 front: .190" high Gen5 sights fit all models of Glock Gen5 pistols ONLY (front: .200" high) AmeriGlo Agent night sights are machined from high-grade steel barstock, dehorned to prevent snagging on your clothing during the draw, and given a durable, non-reflective black finish to match your Glock's slide. Even so, the rear sight body is shaped to support one-handed slide racking in an emergency.

# AGENT NIGHT SIGHT SET FOR GLOCK® Safety Instruction Guide

## Introduction

Thank you for choosing the AmeriGlo Agent Night Sight Set for Glock® 42/43. This product is designed to enhance your shooting accuracy and visibility in lowlight conditions. To ensure your safety and the effective use of this product, please read and follow the safety guidelines outlined in this manual.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the night sight set. This product is designed for use with Glock® 42 and 43 models only.
- **Enhanced Recalls:** Be aware that standardized recall notices may apply. Check for any recalls related to this product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by individuals under the age of 18.
- **EU Contact Point:** For safety inquiries, ensure you have access to an EUbased contact.
- **Rapid Alerts:** Stay informed about potential safety issues through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation:** Only install the night sight set on compatible Glock® models (Glock® 42 and 43).
- **Handling:** Always treat your firearm and sights as if they are loaded. Keep the muzzle pointed in a safe direction.
- **Visibility:** The night sights are designed to improve visibility. However, always ensure that your shooting environment is safe and welllit when possible.
- **Regular Checks:** Periodically check the sights to ensure they are securely installed and functioning correctly.
- **Avoid Modifications:** Do not modify the night sights or your firearm in any way that could compromise safety or functionality.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Tools:** You will need a punch tool, a hammer, and a sight tool for installation.
2. **Remove Existing Sights:**
  - Ensure the firearm is unloaded.
  - Use the punch tool to carefully remove the existing sights from the Glock® 42 or 43.
3. **Install New Sights:**
  - Align the AmeriGlo night sights with the sight dovetails on your Glock®.
  - Use the sight tool to gently tap the new sights into place, ensuring they are secure.
4. **Check Alignment:** After installation, check the alignment of the sights. They should be centered and level.
5. **Test Functionality:** Before using the firearm, ensure that the sights are properly installed and functional.

### Usage Instructions

- **Aiming:** Use the 3dot configuration to align your target. The front sight should be clearly visible with the rear sights in alignment.
- **LowLight Conditions:** The Tritium lamps will glow in lowlight conditions. Ensure you practice aiming with the sights in various lighting environments.

- **Regular Practice:** Regularly practice using your firearm with the night sights to gain familiarity and confidence.

## Disposal Instructions

When disposing of this product, follow local regulations regarding the disposal of firearm accessories. Do not dispose of the sights in regular household waste. Consider recycling options or consult with local authorities for proper disposal methods.

## Contact Information for Further Support

For further support or inquiries regarding the AmeriGlo Agent Night Sight Set for Glock®, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure the safe and effective use of your AmeriGlo Agent Night Sight Set for Glock® 42/43. Always prioritize safety and responsibility when handling firearms.
