## Helps You Find the Front Sight Fast When the Lights Are Low!

The AR Tritium front sight post from AmeriGlo brings the benefits of a self-illuminating night sight to your AR-15 rifle or carbine. The AR Tritium delivers a clear, crisp sight picture with a stand-out aiming point that really helps you locate your front sight quickly when operating in a low-light environment - especially in high-stress situations. The AmeriGlo folks designed the AR Tritium to be a drop-in replacement for the standard A2 front sight post OR the post in a Magpul® MBUS® flip-up front sight. It provides the same range of elevation adjustment as your original post. Sturdy machined steel construction Tough, non-reflective Black Nitride finish Thinnest Tritium AR-15 front post available - .090" wide Front post only; sight housing not included Replaces mil-spec A2 post OR Magpul® MBUS® front sight post Separate model available for Magpul® MBUS® Pro front sight - see #100-027-696 You can benefit from the AR Tritium's enhanced sighting capability whether you're working directly with your "iron" sights or co-witnessing them through a non-magnifying optic. That's extra gravy on top of having an unfailing beacon up front on your rifle to guide you.

# AR15 Style Tritium A2 Front Post Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 Style Tritium A2 Front Post by AmeriGlo. This guide provides essential safety instructions and information to ensure the safe and effective use of your front sight post. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a front sight post for AR15 rifles or carbines.
- Always handle firearms in a safe manner, following all applicable laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of damage or wear.
- In case of any malfunction or damage, discontinue use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Do not attempt to modify the front sight post in any way.
- Ensure that the front sight post is installed properly to avoid misalignment.
- Use appropriate tools for installation to prevent injury or damage to the product.
- Avoid using the front sight post in extreme environmental conditions that may affect its performance.
- Always ensure that your firearm is unloaded before performing any maintenance or installation on the sight post.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a front sight tool and any other required equipment.
- Ensure that your firearm is unloaded and in a safe condition before beginning installation.

### 2. Removal of the Old Front Sight Post

- Using the front sight tool, carefully remove the existing A2 front sight post or the post from the Magpul® MBUS® front sight.
- Set the old post aside for proper disposal.

### 3. Installation of the AR15 Style Tritium A2 Front Post

- Align the new Tritium front sight post with the front sight housing.
- Insert the post into the housing and ensure it is seated properly.
- Use the front sight tool to secure the post in place, following the manufacturer's recommended torque specifications.

### 4. Adjustment

- After installation, adjust the elevation as necessary to ensure proper alignment with your sight picture.
- Test the sighting system in a safe environment to confirm that it functions correctly.

### 5. Usage

- When using the AR15 Style Tritium A2 Front Post, ensure that you are familiar with your firearm and practice safe handling procedures.
- Take advantage of the Tritium illumination feature in lowlight conditions to improve accuracy and speed of sight acquisition.

## **Disposal Instructions**

- Dispose of the old front sight post and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs for metal components.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Style Tritium A2 Front Post, please consult the retailer or manufacturer for assistance. Always ensure you have access to support for any safety or operational inquiries.

By following these guidelines, you can ensure the safe and effective use of your AR15 Style Tritium A2 Front Post. Always prioritize safety and responsible handling of firearms.
