

# AR-15 STYLE TRITIUM FRONT POST MBUS PRO - TRITIUM FRONT POST FOR MBUS PRO

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

## An Unfailing Beacon To Help You Find the Front Sight

AmeriGlo's AR Tritium front sight post enhances the performance of your Magpul® MBUS® Pro front sight by bringing the benefits a self-illuminating night sight to your AR-15. The AR Tritium delivers a clear, crisp sight picture with a stand-out aiming point that really helps you locate your front sight quickly when you're operating in low light, especially in high-stress situations. The AmeriGlo AR Tritium post is a drop-in replacement for the factory post in your Magpul® MBUS® Pro front. It provides the same range of elevation adjustment as your original post. Thinnest Tritium AR-15 front post available - .090" wide Sturdy machined steel construction Tough, non-reflective Black Nitride finish Front post only- you have to bring your own MBUS® Front Sight! Use #100-027-695 for plastic MBUS® Pro & standard, mil-spec A2 sight You can benefit from the AR Tritium's enhanced sighting capability whether you're working directly with your "iron" sights or co-witnessing them through a non-magnifying optic. All of this means that when the lights are low, you won't lose precious seconds of reaction time while you hunt for your front sight!

# Safety Instruction Guide for AR15 Style Tritium Front Post MBUS Pro

## Introduction

Thank you for choosing the AmeriGlo AR15 Style Tritium Front Post for your Magpul® MBUS® Pro front sight. This guide provides essential safety information, installation instructions, and proper usage guidelines to ensure a safe and effective experience with your new sight post.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before installation.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight post for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or adjusting the front sight post.
- Use protective eyewear when handling tools or performing installation.
- Avoid using the sight post in extreme environmental conditions (e.g., excessive moisture, extreme temperatures) that may affect performance.
- Do not modify the sight post or firearm in any way that may compromise safety.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is pointed in a safe direction and is unloaded.
- Gather necessary tools: a small screwdriver and a cleaning cloth.

### 2. Removing the Original Front Post

- Locate the original front sight post on your Magpul® MBUS® Pro front sight.
- Using the small screwdriver, carefully remove the original post by loosening the retaining screw.

### 3. Installing the AR Tritium Front Post

- Take the AmeriGlo AR Tritium front post from its packaging.
- Align the new post with the mounting area of the front sight.
- Insert the new front post and tighten the retaining screw securely but avoid overtightening.

### 4. Adjustment

- Adjust the elevation as needed to achieve the desired sight alignment.
- Ensure the sight picture is clear and the tritium dot is visible in lowlight conditions.

### 5. Final Inspection

- Doublecheck that the front post is securely installed and that there are no loose parts.
- Clean the area around the sight post with a cloth to remove any debris.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider contacting a local recycling facility that accepts firearm accessories.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety and usage, please consult your local firearms dealer or contact the manufacturer directly.

Thank you for prioritizing safety and responsible usage with your AmeriGlo AR15 Style Tritium Front Post. Enjoy your enhanced shooting experience!
