## Shave Weight. Add the Accessory of Your Choice.

Looking to save weight on your AR-15? If you've shaved ounces off by choosing the Brigand Arms carbon-fiber handguard, then the Brigand Arms M-LOK Aluminum Backing Plate is the accessory you need to attach lights, lasers, grips and other add-ons without bulking up your already-trim handguard. This backing plate enables users to attach all the accessories of their choice without adding heavy Picatinny-rail segments that cancel out all the weight-saving benefits of the carbon-fiber handguard. Each plate weighs just 0.26 ounce, and the screws and hex wrench needed for installation are included.

# MLOK BACKING PLATE BRIGAND ARMS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the MLOK Backing Plate by Brigand Arms. This product is designed to enhance your AR15 by allowing you to attach accessories such as lights, lasers, and grips without adding unnecessary weight. It is made from durable aluminum and is available in black. To ensure safe and effective use, please read and follow the instructions provided in this guide.

## General Safety Guidelines

- Always ensure that the MLOK Backing Plate is compatible with your specific handguard and accessories.
- Inspect the product for any visible damage before installation. Do not use if damaged.
- Ensure that all accessories attached to the backing plate are securely fastened to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse.
- Regularly check for any wear or damage to the backing plate and accessories during use.

## Specific Safety Precautions for Use

- Use only the screws and hex wrench provided for installation to ensure proper fit and safety.
- Do not exceed the weight limit of the backing plate by attaching excessively heavy accessories.
- Ensure that all accessories are mounted in a way that does not obstruct the operation of your firearm.
- Avoid using the backing plate in extreme conditions (e.g., extreme heat or cold) that could affect its integrity.
- If you experience any issues or concerns while using the product, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools: MLOK Backing Plate, screws, and hex wrench (included).
- Ensure the handguard is clean and free from debris.

### 2. Installation Steps:

- Align the MLOK Backing Plate with the desired slot on the handguard.
- Insert the screws through the backing plate into the MLOK slots.
- Use the hex wrench to securely tighten the screws. Ensure they are snug but do not overtighten, as this may damage the plate or handguard.
- Confirm that the backing plate is firmly attached and does not move.

### 3. Usage:

- Attach your accessories (lights, lasers, grips) to the backing plate according to the manufacturer's instructions for those products.
- Regularly check the tightness of the screws and the stability of the attached accessories during use.

## **Disposal Instructions**

- Dispose of the MLOK Backing Plate in accordance with local regulations.
- If the product is damaged and no longer usable, consider recycling the aluminum material where facilities are available.
- Do not dispose of the product in regular household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the MLOK Backing Plate, please refer to the manufacturer's contact details provided with your product packaging. Ensure you have the product information ready for a prompt response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your MLOK Backing Plate by Brigand Arms!
