Safety Instruction Guide for Challenge Targets Round Gong Targets

Introduction

Thank you for choosing the Challenge Targets Round Gong Targets. This guide provides essential safety information and instructions to ensure safe and effective use of your product. Please read all sections carefully before use.

General Safety Guidelines

- Ensure that all users are aware of the safety guidelines outlined in this document.
- Always wear appropriate eye and ear protection when shooting.
- Use the product only in designated shooting areas that are safe and legal.
- Ensure that the target area is clear of people and obstacles before shooting.
- Regularly inspect the target for wear and damage. Do not use if the target is compromised.
- Children and inexperienced shooters should be supervised by a qualified adult at all times.
- Follow all local laws and regulations regarding shooting and target practice.

Specific Safety Precautions for Use

- The Challenge Targets Round Gong Targets are designed for use with handguns and rifles up to 3,000 fps.
- Ensure that the target is mounted securely to prevent it from falling or swinging unexpectedly.
- Use only 1/2" square neck carriage bolts or 1/2" diameter Shooks for mounting the target.
- Do not modify the target or its mounting hardware in any way.
- Maintain a safe distance from the target while shooting. A minimum distance of 10 yards is recommended.
- Be aware of ricochet risks. Ensure that the area behind the target is safe and free from people or animals.
- If you notice any deformation or damage to the target, cease use immediately and replace the target.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable location for your target that is safe and legal for shooting.
- Use chains or rubber straps to hang the gong plate securely from a stable structure.
- Ensure that the teardrop shape holes are properly aligned with the mounting hardware.
- Tighten all bolts and connectors securely to prevent any movement during use.

2. Usage:

- Ensure all safety gear is worn before shooting.
- Confirm that the shooting area is clear of people and obstacles.
- Fire at the target from a safe distance, ensuring that you maintain proper shooting stance and technique.
- After shooting, inspect the target for any signs of damage or wear.

Disposal Instructions

- Dispose of the Challenge Targets Round Gong Targets in accordance with local regulations.
- If the target is damaged beyond repair, consider recycling the steel components where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or further support regarding the Challenge Targets Round Gong Targets, please refer to the manufacturer's website or customer service information provided with your product.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly!
