

# BRN-10 CHARGING HANDLE SPRING - NODAK SPUD LLC BRN-10 CHARGING HANDLE SPRING

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Springs](#)

We build our BRN-10® rifles to be shooters - "history you can shoot," as we say in the ads - using materials that are typically far better than those used in the original guns. That doesn't mean they're impervious to accidental damage or the effects of normal wear and tear. If the latch spring on your Brownells BRN-10® rifle's charging handle fails, you have an inoperative handle. That's why we offer this replacement BRN-10® charging handle latch spring. •

"Factory original" replacement part for your BRN-10® rifle • High-grade stainless steel • Durable black oxide finish • Made for Brownells by Nodak Spud This spring is the correct size and "weight" (pull force) to smoothly and reliably operate your BRN-10® rifle's charging handle latch. It has a tough black oxide finish to resist corrosion and ensure a long service life. Keep a couple of spare charging handle latch springs in your parts box (or even your range bag) as inexpensive insurance against having your BRN-10® rifle sidelined due to accidental damage to this small but critical part.

## Attributes

- Name: [NODAK SPUD LLC BRN-10 CHARGING HANDLE SPRING](#)
- Manufacturer: [NODAK SPUD LLC](#)
- Product no.: 100027805
- Mfr. No.: BRN10CHSPRNG
- Model: BRN-10
- Weapon type: Brownells
- Delivery weight: 0.454kg
- Shipping height: 25mm
- Shipping width: 89mm
- Shipping length: 140mm

# BRN10 Charging Handle Spring Safety Instruction Guide

## Introduction

Thank you for choosing the BRN10 Charging Handle Spring by Nodak Spud LLC. This guide provides essential safety information to ensure the proper use and handling of your product. Please read the following instructions carefully to maximize the safety and performance of your BRN10® rifle.

## General Safety Guidelines

- Ensure that all components of your BRN10® rifle are installed correctly and functioning before use.
- Regularly inspect your rifle and its components for signs of wear or damage.
- Always handle firearms with care and follow basic firearm safety rules.
- Keep firearms and ammunition out of reach of children and unauthorized users.
- If you notice any issues while using your rifle, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Only use the BRN10 Charging Handle Spring with compatible BRN10® rifles.
- Avoid using excessive force when operating the charging handle to prevent damage to the spring and other components.
- Ensure the rifle is unloaded before performing any maintenance or installation of parts.
- Store spare parts, including the charging handle spring, in a secure location to prevent accidental use or ingestion.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Gather necessary tools, including a small screwdriver or punch for installation.

### 2. Installation:

- Remove the existing charging handle from the rifle.
- Carefully remove the old charging handle latch spring from the charging handle assembly.
- Install the new BRN10 Charging Handle Spring by aligning it properly within the charging handle assembly.
- Reassemble the charging handle onto the rifle, ensuring it operates smoothly.

### 3. Usage:

- Operate the charging handle gently to avoid excessive wear on the new spring.
- If the charging handle does not operate smoothly after installation, doublecheck the installation for any misalignment.

## Disposal Instructions

- Dispose of old or damaged springs in accordance with local regulations.
- Do not dispose of any firearm components in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any inquiries regarding the BRN10 Charging Handle Spring or to report safety concerns, please contact the appropriate EUbased safety authority or your local distributor.

By following these guidelines, you can ensure the safe use and longevity of your BRN10 Charging Handle Spring. Thank you for your commitment to safety.
