

# FRONT SIGHT BIT & PIN PUNCH COMBO PACK FOR GLOCK® - FIX IT STICKS FRONT SIGHT BIT & PIN PUNCH COMBO PACK FOR GLOCK®

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Gunsmithing Tool Kits](#)

## Fast, Easy, Painless Disassembly/Reassembly of Your Glock

The Glock® pistol travels light, both in the number of parts that comprise it and in the number of tools needed to disassemble it for basic maintenance. Actually, it requires only two tools and the Fix-It Sticks Glock tool kit contains them. Half of the Fix-It Sticks Glock® took kit's dynamic duo is a 3/32" pin punch for removing the all the pins that hold the pistol together, including those that retain the pistol's fire control mechanism in its polymer frame. The Duo's other half is a 3/16" in thin-walled hex nut driver for removing the screw that anchors the Glock's front sight. An magnet inside the hex driver handily retains the screw so you don't lose it. Hardened tool steel Black oxide finish. Fits any Fix-It Stick driver, Brownells Magna-Tip® or standard 1/4" hex bit driver. Both tools are machined from hardened steel barstock - none of this cheap front-of-the-hardware store stuff that breaks as soon as you apply a little torque! They are compatible with any Fix-It-Sticks handles AND any standard 1/4" bit driver - so, yes, they'll fit your Magna-Tip® driver handles! Or pair them up with the basic Fix-It Sticks T-handle tool (#100-018-238, sold separately).

# Safety Instruction Guide for FRONT SIGHT BIT & PIN PUNCH COMBO PACK FOR GLOCK®

## Introduction

Thank you for purchasing the FRONT SIGHT BIT & PIN PUNCH COMBO PACK FOR GLOCK®. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product. Please read this guide thoroughly before use.

## General Safety Guidelines

- Always use the tools for their intended purpose.
- Keep the tools out of reach of children and vulnerable individuals.
- Inspect the tools for damage before each use. Do not use if damaged.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the tools.
- Always work in a welllit area to avoid accidents.
- Ensure that the firearm is unloaded and pointed in a safe direction before beginning any maintenance work.

## Specific Safety Precautions for Use

- Use the 3/32" pin punch carefully to avoid slipping and causing injury.
- When using the 3/16" hex nut driver, ensure that it is securely attached to the screw before applying torque.
- Do not apply excessive force when using the tools, as this can lead to tool breakage or personal injury.
- If you experience any resistance while using the tools, stop and reassess the situation to avoid damage to the firearm or injury to yourself.
- Always store the tools in a safe place after use to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your Glock® pistol is completely unloaded.
- Gather the necessary tools including the FRONT SIGHT BIT & PIN PUNCH COMBO PACK.

### 2. Using the Pin Punch:

- Position the 3/32" pin punch over the pin you wish to remove.
- Gently tap the punch with a hammer or similar tool to drive the pin out. Avoid excessive force.

### 3. Using the Hex Nut Driver:

- Insert the 3/16" hex nut driver into the screw that secures the front sight.
- Turn the driver counterclockwise to remove the screw. The magnet inside will hold the screw in place.
- To replace the screw, insert it back into the hole and turn clockwise until secure.

### 4. After Use:

- Clean the tools to remove any debris or residue.
- Store the tools in a safe, dry place.

## **Disposal Instructions**

- Dispose of any damaged tools in accordance with local regulations.
- Do not throw tools in regular household waste if they are broken or unusable. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries, please refer to the EUbased contact point provided by the manufacturer or retailer where you purchased the product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your FRONT SIGHT BIT & PIN PUNCH COMBO PACK FOR GLOCK®. Always prioritize safety and proper usage to prevent accidents. Thank you for your attention and enjoy your product!
