

# AR-15 MK14 SUPER MODULAR RAIL HANDGUARD - GEISSELE AUTOMATICS MK14 SUPER MODULAR RAIL HANDGUARD 9.3" M-LOK DDC

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

## Narrow Profile for a Comfortable Hold - Plenty of Accessory Mounting Possibilities

The Geissele MK14 Super Modular Rail tactical AR-15 handguard has a slim cross-section that makes it ideal for shooters who use rail covers and/or a vertical grip - and who also employ the thumb-over-the-bore support hand grasp. Similar to their MK13 SMR, the Geissele MK14 delivers acres of real estate for mounting accessories, with M-LOK slots running the handguard's full length at the 3, 6, and 9 o'clock positions. The MK14 Super Modular Rail also sports an uninterrupted Picatinny rail running the full length of the top. Geissele even thoughtfully includes sockets for QD pushbutton sling swivels at the 11 and 1 o'clock positions at the rear. Strong & lightweight machined 6061 T6 aluminum Barrel Nut Wrench no longer included with the handguards. Type III hardcoat anodized Available in basic Black or Geissele's Desert Dirt Color (DDC) Proprietary free-float barrel nut included Geissele also engineered the MK14 Super Modular Rail handguard to free-float the barrel using their easy-to-install proprietary barrel nut. The nut is 2.25" long, so there's plenty of surface area for secure, rigid, straight anchoring of the handguard in place. Please note that a gas block is no longer included with these handguards.

# Safety Instruction Guide for AR15 MK14 Super Modular Rail Handguard

## Introduction

Thank you for choosing the Geissele MK14 Super Modular Rail Handguard. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely.

## General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that the firearm is unloaded before installing or making adjustments to the handguard.
- Follow all local laws and regulations regarding firearm use and accessories.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the handguard is compatible with your AR15 model before installation.
- Avoid placing your fingers in front of the muzzle when handling the firearm.
- Always use protective eyewear when shooting.
- Check for sharp edges on the handguard and handle with caution.
- Do not exceed the weight limit for accessories mounted on the handguard to prevent failure.
- Use only approved accessories that are compatible with MLOK slots.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a barrel nut wrench (not included).

### 2. Installation Steps

- Remove the existing handguard from your AR15 by unscrewing the barrel nut.
- Install the proprietary freefloat barrel nut included with the MK14 handguard, ensuring it is securely fastened.
- Slide the handguard over the barrel nut, aligning it with the receiver.
- Secure the handguard in place according to the manufacturer's instructions.

### 3. Usage Guidelines

- Use the handguard as intended for mounting accessories.
- Regularly inspect the handguard for any signs of wear or damage.
- If you notice any issues, discontinue use and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of the handguard in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent any hazards.
- Recycle materials where possible.

## **Contact Information for Further Support**
