

AR-15 LOWER PARTS KIT - LUTH-AR AR-15 LOWER PARTS KIT

[Home](#)

ALL the Parts & Pieces You Need To Take a Lower from "Stripped" to "Complete"

The LLRPK-1 AR-15 Lower Receiver Parts Kit from Luth-AR contains all the parts, down to the last spring and pin, to turn a stripped lower into a complete receiver ready for the buffer tube, buffer system and stock of your choice. Sure, we sell all of these parts separately, and Luth-AR has made a big name for itself in the last few years as a supplier of top-quality AR-15 accessories AND basic mil-spec parts. But why chase down all of these mil-spec commodity parts separately when this parts kit provide easy, "one and done" ordering? This parts kit includes complete, mil-spec AR-15 fire control components - trigger, hammer, disconnecter, and all the pins-n-springs. Just note that it's not a drop-in module, so you will have to assemble the parts. If you've done it before, no problem. If you haven't, watch this video a few times before tackling it. Here are the complete contents of the LLRPK-1 lower receiver parts kit: Buffer Retainer & Buffer Retainer Spring Triggerguard & pin Safety selector lever + detent Selector/Ejector spring Bolt Catch + spring, plunger & roll pin Magazine catch Magazine release button (aluminum) Front pivot pin Rear takedown pin 2x Takedown/pivot pin detents 2x Detent springs Trigger Trigger spring Hammer, mil-spec w/J spring Hammer spring 2x hammer/trigger pin Disconnecter Disconnecter spring Mag Catch/Buttstock Plunger Spring 1-ea. A2 pistol grip (black plastic) Pistol grip bolt (slot-head) Pistol grip lock washer The Luth-AR folks also thoughtfully includes a standard A2-type plastic pistol grip that'll get you up and shooting until you decide if you want a fancier, aftermarket grip. A lot of AR-15 shooters have spent their entire careers using the A2 grip, but if you want to upgrade, Brownells offers a LOT of options. Get the Luth-AR LLRPK-1 lower receiver parts kit, and you'll be sure that when you sit down at your workbench to assemble your next AR-15, completion your project won't be held up for lack of one or two small parts!

Safety Instruction Guide for LuthAR AR15 Lower Parts Kit (LLRPK1)

Introduction

Thank you for choosing the LuthAR AR15 Lower Parts Kit (LLRPK1). This guide provides essential safety instructions and guidelines to ensure the safe use and assembly of your lower receiver parts kit. Please read this document carefully before proceeding with installation and usage.

General Safety Guidelines

- Ensure you are legally allowed to own and operate firearms in your jurisdiction.
- Always handle firearms with care and respect, treating every firearm as if it is loaded.
- Keep the parts kit out of reach of children and unauthorized individuals.
- Inspect all components for damage or wear before use.
- Follow all local laws and regulations regarding firearms and their components.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use safety glasses and gloves during assembly to protect your eyes and hands.
- Ensure you are working in a wellventilated area, free from distractions.
- Avoid using excessive force when assembling components to prevent damage.
- Be cautious of sharp edges on metal parts during handling.
- Do not attempt to modify any parts unless specifically instructed to do so.
- If you are unfamiliar with firearm assembly, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools: screwdrivers, pliers, and any other tools required for assembly.
- Clear your workspace of any unnecessary items to prevent accidents.

2. Assembly Steps

- Begin by reviewing all components included in the LLRPK1 kit:
 - Buffer Retainer & Buffer Retainer Spring
 - Triggerguard & pin
 - Safety selector lever + detent
 - Selector/Ejector spring
 - Bolt Catch + spring, plunger & roll pin
 - Magazine catch
 - Magazine release button (aluminum)
 - Front pivot pin
 - Rear takedown pin
 - 2x Takedown/pivot pin detents
 - 2x Detent springs
 - Trigger
 - Trigger spring

- Hammer, milspec w/J spring
- Hammer spring
- 2x hammer/trigger pin
- Disconnecter
- Disconnecter spring
- Mag Catch/Buttstock Plunger Spring
- 1ea. A2 pistol grip (black plastic)
- Pistol grip bolt (slothead)
- Pistol grip lock washer
- Ensure all parts are accounted for before proceeding with assembly.

3. Assembling the Lower Receiver

- Follow the instructions in the assembly video provided by LuthAR for detailed guidance.
- Start by installing the trigger and hammer components according to the video.
- Secure each component using the appropriate pins and springs as indicated.
- Doublecheck that all parts are properly seated and functioning before proceeding.

4. Final Checks

- After assembly, perform a function check to ensure all components operate smoothly.
- Make sure that the safety selector functions correctly and that the trigger operates without obstruction.

Disposal Instructions

- Dispose of any unused parts or packaging materials in accordance with local waste disposal regulations.
- Do not dispose of any parts in a manner that could pose a hazard to others or the environment.

Contact Information for Further Support

For any questions or concerns regarding the LuthAR AR15 Lower Parts Kit, please refer to the manufacturer's website or contact their customer support team for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience while assembling and using your LuthAR AR15 Lower Parts Kit. Thank you for your attention to safety.
