

# AR-15 BUILDER KIT - LUTH-AR LOWER RECEIVER PARTS BUILDER KIT- AR15

[Home](#)

## Only the Parts You Need To Finish a Stripped Lower - None of Those You Don't Need!

The LLRPK-BLDR Lower Receiver Parts Builder Kit from Luth-AR is ideal for anybody assembling an AR-15 who needs all the small bits-n-pieces to complete a stripped lower, but who wants to customize the performance-critical components. You supply the trigger/fire control components, pistol grip, buttstock/buffer system, and triggerguard of your choice. Luth-AR's Builder Kit covers everything else. No need to purchase all these commodity parts separately, only to sit down on a weekend to do your project...and find out your missing one or more small bits! The complete contents of the LLRPK-BLDR lower receiver parts kit are: Buffer Retainer & Buffer Retainer Spring Safety selector lever + detent Selector/Ejector spring Bolt Catch + spring, plunger & roll pin Magazine catch Magazine release button (aluminum) Front pivot pin Rear takedown pin 2x Takedown/pivot pin detents 2x Detent springs 2x hammer/trigger pins Mag Catch/Buttstock Plunger Spring 1-ea. All of these Luth-AR LLRPK-BLDR Builder Kit parts are standard AR-15 parts designed to fit a "mil-spec" lower receiver. Almost all currently available lowers are dimensioned to accept these parts, so compatibility should not be a problem. If you've assembled an AR-15 before, you should have no trouble installing these components.

# Consumer Safety Instruction Guide for the AR15 Builder Kit LuthAR Lower Receiver Parts Builder Kit

## Introduction

Thank you for choosing the LLRPKBLDR Lower Receiver Parts Builder Kit from LuthAR. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. It is important to read and understand all safety information before using the kit.

## General Safety Guidelines

- **Product Safety:** Ensure that all components are used according to the manufacturer's instructions. The kit is designed for assembling an AR15 and should only be used for this purpose.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Check for updates regularly to ensure your safety.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with safety regulations. Verify that the product is genuine and not counterfeit.
- **Special Consumer Focus:** This product is not intended for use by children or vulnerable individuals. Always supervise the use of tools and components around minors.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of the EU Safety Gate system for updates on any unsafe products.

## Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the instruction manual before beginning assembly.
- **Wear Safety Gear:** Use appropriate safety gear such as safety glasses and gloves during assembly to protect against injury.
- **Work in a Safe Environment:** Assemble the kit in a clean, welllit area free from distractions and hazards.
- **Check for Damage:** Inspect all parts for damage or defects before use. Do not use any damaged components.
- **Keep Away from Children:** Store all parts and tools out of reach of children to prevent accidental use.

## Instructions for Installation and Usage

1. **Gather Tools and Components:** Before beginning, ensure you have all necessary tools and components, including your chosen trigger/fire control components, pistol grip, buttstock/buffer system, and triggerguard.
2. **Review Assembly Instructions:** Familiarize yourself with the assembly process. Refer to the manufacturer's guidelines for specific instructions on how to assemble the AR15.
3. **Install Buffer Retainer and Spring:** Begin by installing the buffer retainer and buffer retainer spring into the lower receiver.
4. **Attach Safety Selector Lever:** Install the safety selector lever along with the detent. Ensure it moves freely and is securely in place.
5. **Install Selector/Ejector Spring:** Place the selector/ejector spring in its designated position.
6. **Fit Bolt Catch:** Install the bolt catch along with the spring, plunger, and roll pin.
7. **Insert Magazine Catch:** Attach the magazine catch and ensure it is functioning correctly.
8. **Install Magazine Release Button:** Secure the aluminum magazine release button in place.
9. **Attach Front and Rear Pins:** Insert the front pivot pin and rear takedown pin into their respective slots.
10. **Install Takedown/Pivot Pin Detents and Springs:** Place the takedown/pivot pin detents and their

corresponding springs into the lower receiver.

11. **Insert Hammer/Trigger Pins:** Secure the hammer and trigger pins in place.
12. **Complete Assembly:** Ensure all components are tightly secured and functioning correctly. Perform a final inspection before use.

## Disposal Instructions

- **Dispose of Packaging Responsibly:** Recycle or dispose of all packaging materials in accordance with local waste disposal regulations.
- **Dispose of Defective Parts:** If any parts are found to be defective or damaged, dispose of them in a safe manner that prevents accidental use.

## Contact Information for Further Support

For any questions or concerns regarding the LLRPKBLDR Lower Receiver Parts Builder Kit, please refer to the manufacturer's contact information included with your product packaging.

By following these safety guidelines and instructions, you can ensure a safe and successful assembly of your AR15 Builder Kit. Thank you for your attention to safety.
