Boosts the Capacity of Your Russian Military Classic

Kalshnikovs are so much fun to shoot, it's a pity you have to stop to reload. With a KCI 75-rd AK-47 drum magazine, you don't have to reload quite so often! Based on an original Chinese pattern, KCI's big AK-47 drum is engineered for reliable feeding so you can send plenty of lead down range. Unlike other drum magazines that you have to load one round at a time from the top, you can easily load KCI's drum by opening the rear cover and dropping rounds in. No need to wrestle with increasingly strong spring pressure. When you're ready to use the mag, give the winding key a few twists to tighten the spring, snap the mag in your rifle, and you are ready to blast away. Mag can even be stored fully loaded with no pressure on the spring. Steel body with matte black finish Clear polymer cover for easy round count Fits any 7.62x39mm AK-47/AKM (not AK-74!) that uses double-stack mags For maximum firepower from your AK plus reliable function at an excellent price, grab a KCI AK-47 75-round drum magazine - or several. No Kalashnikov arsenal is complete without one!

Safety Instruction Guide for AK47 75RD Drum Magazine

Introduction

Thank you for choosing the KCI USA AK47 75RD Drum Magazine. This product is designed to enhance your shooting experience by allowing for extended firing sessions without frequent reloading. However, it is essential to follow safety guidelines to ensure safe and effective use. This guide outlines the necessary safety precautions, installation instructions, and disposal guidelines to comply with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the drum magazine is compatible with your AK47/AKM firearm before use.
- Always handle firearms and ammunition with care and responsibility.
- Store the drum magazine in a safe place, away from children and unauthorized users.
- Regularly inspect the drum magazine for wear and damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm and ammunition storage and use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Loading:**
 - Only load the drum magazine when you are ready to use it.
 - Do not attempt to load the magazine while it is attached to the firearm.
- **Winding the Spring:**
 - Use the winding key to tighten the spring before use. Do not overtighten.
- **Firing:**
 - Always point the firearm in a safe direction when loading or firing.
 - Keep your finger off the trigger until you are ready to shoot.
- **Storage:**
 - The drum magazine can be stored fully loaded without pressure on the spring.
 - Ensure that the magazine is stored in a cool, dry place.

Instructions for Installation and Usage

1. Loading the Magazine:

- Open the rear cover of the drum magazine.
- Drop the rounds into the magazine, ensuring they are properly seated.
- Close the rear cover securely.

2. Winding the Spring:

- Insert the winding key into the designated slot.
- Turn the key clockwise to wind the spring. A few twists are sufficient.
- Ensure the spring is tightened but not overwound.

3. Attaching the Magazine to the Firearm:

- Align the magazine with the magazine well of your AK47/AKM.
- Firmly push the magazine into place until it clicks.

4. Firing:

- Ensure the firearm is pointed in a safe direction.
- Pull the trigger to fire. Repeat as necessary.

5. Removing the Magazine:

- After use, remove the magazine from the firearm by pressing the magazine release button.
- Store the magazine safely.

Disposal Instructions

- Dispose of the drum magazine in accordance with local regulations regarding firearm accessories.
- If the magazine is damaged or no longer usable, contact your local waste management facility for proper disposal methods.
- Do not dispose of the magazine in regular household waste.
