

M1 30 CARBINE MAGAZINES - KCI USA M1 30 CARBINE 15RD MAGAZINE BLUED STEEL

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Closest Thing to an Original WWII-Spec Mag

Keep an old veteran on the firing line with KCI's 15-round M1 Carbine magazine! It's built with a blued, heat-treated steel body, just like the originals, with a reliable chrome silicon steel spring to support the steel follower and keep the rounds moving into your M1's chamber. This M1 Carbine magazine delivers practical reliability and impressive quality - at a price that's darned hard to beat. Compact, straight wall configuration Brand-new production - not refurbs, not NOS! Removable steel base plate Fits all mil-spec and most civilian M1 Carbines The KCI 15-round magazine is fitted with a bolt-hold-open follower, so you'll get bolt lock-back on that last round. It's a must-have for any M1 Carbine enthusiast. At this price, why settle for one? You can afford a whole bunch and maximize your range time.

Safety Instruction Guide for KCI USA M1 30 Carbine Magazines

Introduction

Thank you for choosing the KCI USA M1 30 Carbine 15Round Magazine. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure safe operation and compliance with EU safety regulations.

General Safety Guidelines

- Always treat every firearm and magazine as if they are loaded.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Inspect the magazine regularly for signs of wear or damage before use.
- Do not use the magazine with incompatible firearms.
- Ensure that the magazine is properly seated in the firearm before use.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Specific Safety Precautions for Use

- Use only .30 Carbine ammunition with this magazine.
- Avoid exposing the magazine to extreme temperatures, moisture, or corrosive environments.
- Do not attempt to modify or alter the magazine in any way.
- Keep fingers and other objects away from the magazine's feed lips during loading and unloading.
- Use protective eyewear when operating firearms to safeguard against potential hazards.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and the safety is engaged.
- Align the magazine with the magazine well of the firearm.
- Push the magazine into the magazine well until it clicks into place.

2. Loading the Magazine:

- Hold the magazine in one hand and the ammunition in the other.
- Start loading cartridges from the back of the magazine, pressing each round down and back until they are seated properly.
- Do not overload the magazine; ensure that it contains no more than 15 rounds.

3. Using the Magazine:

- Insert the loaded magazine into the firearm as described in the installation section.
- Ensure the firearm is aimed in a safe direction before disengaging the safety.
- Fire the firearm according to the manufacturer's instructions.

4. Unloading the Magazine:

- Remove the magazine from the firearm.
- Tilt the magazine to allow the rounds to fall out or use a speed loader to assist in unloading.
- Inspect the magazine for any remaining rounds and ensure it is empty before storing.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding metal recycling.
- If the magazine is damaged or no longer usable, do not attempt to repair it. Dispose of it responsibly.
- Do not discard magazines in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns, please consult the appropriate local authorities or firearms safety organizations.

This guide is designed to provide you with the necessary information to safely use and maintain your KCI USA M1 30 Carbine Magazine. Always prioritize safety and adhere to all guidelines for a secure shooting experience.
