[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Smooth, Consistent Pull & Short, Crisp Reset - RED Finish Available ONLY from Brownells

Installing a Red Flat-Faced Trigger Kit from Agency Arms is the quickest, easiest way to make a major upgrade to the performance of your Glock. By a special arrangement with the folks at Agency, Brownells is the ONLY place where you want get this special edition of the flat-faced trigger with an eye-catching, red anodized finish on the trigger shoe. The Red Flat-Face Trigger is a drop-in upgrade - meaning you can do it yourself in a few minutes - that gives your Glock a noticeably smoother trigger pull with minimal pre-travel and a short, snappy, positive reset. Easy, fast drop-in installation Function of critical factory safety lever in trigger face is fully maintained Sturdy all-aluminum trigger shoe has excellent, stable feel Flat face gives the shooter excellent control through entire pull arc Distinct tactile & audible signal when trigger is reset Separate models for Gen1-4 standard frame pistols, new Gen5 pistols, and the G43 Many precision shooters prefer the flat-faced trigger shoe since it reduces the contact area between the finger and trigger. This gives you better control throughout the pull and lets you control perceived pull weight by positioning your finger higher or lower on the shoe for the precise amount of leverage. A "toe" at the bottom of the shoe serves as an indexing point so you won't put your finger TOO far down. The Red Flat-Face Trigger Kit for Glock is available in 3 configurations: Gen1-4 fits Generation 1 through 4 standard frame pistols chambered in 9mm, .357 SIG and .40 S&W. There's a separate model just for the G43, and the Gen5 model fits ONLY the recent Gen5 G17, 19, 19X, 26 and 34 pistols.

Safety Instruction Guide for DROPIN TRIGGER FOR GLOCK® GEN 5

Introduction

Thank you for choosing the DROPIN TRIGGER FOR GLOCK® GEN 5. This guide provides essential safety information and instructions to ensure the safe use and installation of your new trigger. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** This trigger is designed to enhance the performance of your Glock while ensuring safe use. Always follow the guidelines provided in this manual.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices. Please stay informed about any updates regarding this product.
- **Online Shopping Safety:** When purchasing online, ensure that you are buying from reputable sources that comply with safety requirements.
- **Consumer Focus:** Extra precautions should be taken for vulnerable groups, including children. Keep this product out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Stay updated on safety information through the EU's Safety Gate platform, which provides alerts about unsafe products.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use of the dropin trigger may lead to malfunctions or unsafe conditions.
- **Avoiding Hazards:**
 - Always ensure that the firearm is unloaded before installation or handling.
 - Do not attempt to modify the trigger or any associated components.
 - Use only compatible Glock models as specified in this guide.
 - Maintain proper trigger discipline at all times.
- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to handle firearms. Ensure that users are of legal age and knowledgeable about firearm safety.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is completely unloaded and pointed in a safe direction.
 2. Remove the factory trigger according to the manufacturer's instructions.
 3. Carefully install the Red FlatFaced Trigger by following these steps:
 - Align the trigger shoe with the trigger mechanism.
 - Insert and secure any necessary pins.
 - Verify that the trigger functions correctly before reassembly.
 4. After installation, conduct a function check to ensure proper operation.
- **Usage:**
 - Familiarize yourself with the feel of the new trigger before using the firearm in a live setting.
 - Practice safe handling and shooting techniques.
 - Regularly inspect the trigger for any signs of wear or damage.

- Store your firearm securely when not in use.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local regulations.
- If the trigger or any component becomes damaged or nonfunctional, do not attempt to repair it. Dispose of it following local hazardous waste guidelines.
- Ensure that all firearm components are disposed of in a manner that prevents unauthorized access.

Contact Information for Further Support

For any questions or concerns regarding the DROPIN TRIGGER FOR GLOCK® GEN 5, please refer to the product's designated support resources. Ensure you have the product information ready for a more efficient response.

Thank you for prioritizing safety while using your DROPIN TRIGGER FOR GLOCK® GEN 5. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
