

# AR-15 CARBON BLACK PISTOL GRIP - BRIGAND ARMS AR-15 CARBON BLACK PISTOL GRIP CARBON FIBER BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

## A Pistol Grip that Feels Like a Natural Extension of Your Hand

The Carbon Black Grip from Brigand Arms weighs in at just a hair under 2 oz. (including its lightweight Titanium screw), so it will have no effect on a lightweight carbine build - until you wrap your hand around it. Ergonomics is where the Carbon Black really shines. The Brigand team embarked on an intensive design process to develop a lightweight grip that fits the natural contours of the shooter's hand perfectly. The Carbon Black's surfaces are designed to support your palm, not the web between thumb and index finger, so you maintain a remarkably consistent hold for repeatable trigger pulls. Consistency = better control and accuracy. The extra stability this grip gives you almost comes as a bonus (almost!). It'll be as comfortable at the end of a long day at the range as it is at the beginning AND it's contoured so a wide range of hand sizes can grasp it easily. Molded reinforced carbon fiber material Fits a wide range of hand sizes C-O-M-F-O-R-T-A-B-L-Y Lightweight Titanium grips screw & washer included Optional self-adhesive "grip strip" can be attached to back strap for extra traction As a bonus, the Carbon Black grip's styling perfectly matches your Brigand Arms Carbon Black EDGE handguard. The absence of milled or trimmed edges ensures that your grip won't splinter or suffer excessive wear.

## Attributes

- Name: [BRIGAND ARMS AR-15 CARBON BLACK PISTOL GRIP CARBON FIBER BLACK](#)
- Manufacturer: [BRIGAND ARMS](#)
- Product no.: 100027944
- Mfr. No.: GR-1

# Safety Instruction Guide for AR15 Carbon Black Pistol Grip

## Introduction

Thank you for choosing the AR15 Carbon Black Pistol Grip from Brigand Arms. This guide provides essential safety instructions to ensure the safe use and installation of your new grip. Please read this document carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the grip is compatible with your firearm before installation.
- Always follow local laws and regulations regarding firearm modifications.
- Inspect the grip for any visible damage before use. Do not use if damaged.
- Keep the grip out of reach of children and unauthorized users.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the grip only as intended. It is designed specifically for the AR15 platform.
- Avoid exposing the grip to extreme temperatures or harsh chemicals, which may damage the material.
- Ensure that your hands are dry and free of oil or debris when handling the grip to maintain a secure hold.
- Be aware of your surroundings when using the firearm equipped with this grip. Always follow safe handling practices.
- If you experience any discomfort or difficulty while using the grip, discontinue use and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.
- Remove the existing grip from the firearm using the appropriate tools.
- Align the Carbon Black Grip with the grip mount on the firearm.
- Secure the grip in place using the lightweight Titanium screw and washer included with the product.
- Check the grip for stability and ensure it is securely attached before use.

### 2. Usage:

- Hold the grip firmly with your dominant hand, ensuring that your palm supports the grip's surface.
- Maintain a consistent grip for improved control and accuracy during operation.
- If desired, attach the optional selfadhesive "grip strip" to the back strap for additional traction.
- After use, clean the grip with a soft cloth to remove any dirt or debris.

## Disposal Instructions

- Dispose of the grip in accordance with local regulations for plastic and composite materials.
- Do not incinerate the grip, as it may release harmful substances when burned.
- If the grip is damaged, consider contacting local recycling facilities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Carbon Black Pistol Grip, please reach out to your local dealer or the manufacturer. Ensure you have your product details ready for efficient assistance.

By following these safety instructions, you can enjoy the benefits of the AR15 Carbon Black Pistol Grip while ensuring safe and responsible use. Thank you for your attention to safety.
