

SNAP CAPS BLUE VALUE PACKS - A-ZOOM 38 SPEC SNAP CAP BLUE 12PK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

A-Zoom Snap Caps Blue Value Packs are perfect for safety training, function testing or safely decocking without damaging the firing pin. And A-Zoom training rounds are much more than conventional snap-caps. They are precision CNC machined from solid aluminum to precise cartridge dimensions, then hard anodized for ultra-smooth functioning and long life. Each round has A-Zoom's remarkably durable Dead Cap proven to withstand over three thousand dry fires while protecting the firing pin. Aluminum construction Precision CNC machined Value pack quantities A-Zoom Snap Caps last over 30 times longer than conventional plastic caps.

Safety Instruction Guide for AZoom Snap Caps Blue Value Packs

Introduction

Thank you for choosing AZoom Snap Caps Blue Value Packs. These training tools are designed for safety training, function testing, and safely decocking firearms without damaging the firing pin. This guide provides essential safety instructions to ensure the safe use of these products in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

To ensure safe usage of AZoom Snap Caps, please adhere to the following guidelines:

- Always treat all firearms as if they are loaded.
- Store snap caps in a secure location, away from children and unauthorized users.
- Inspect snap caps before use for any signs of damage or wear.
- Do not use snap caps in live firearms. They are designed for training purposes only.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

When using AZoom Snap Caps, please follow these precautions:

- Ensure the firearm is unloaded before inserting snap caps.
- Use only AZoom Snap Caps specifically designed for your firearm caliber (38 Special).
- Do not exceed the recommended number of dry fires; each snap cap is designed to withstand over three thousand dry fires.
- Avoid using snap caps in firearms that are not compatible with the 38 Special cartridge.
- If a snap cap fails or shows signs of failure, discontinue use immediately.

Instructions for Installation and Usage

To ensure proper use of AZoom Snap Caps, follow these steps:

1. Preparation:

- Ensure that the firearm is pointed in a safe direction.
- Make sure the firearm is completely unloaded.

2. Inserting Snap Caps:

- Take a snap cap from the package.
- Insert the snap cap into the chamber of the firearm just as you would with a live round.
- Close the action of the firearm carefully.

3. Dry Firing:

- Pull the trigger to simulate firing.
- Observe the functioning of the firearm without the risk of live ammunition.
- Repeat as necessary, ensuring not to exceed three thousand dry fires per snap cap.

4. Removing Snap Caps:

- Open the action of the firearm.
- Remove the snap cap from the chamber.
- Store the snap cap in a safe location for future use.

Disposal Instructions

To dispose of AZoom Snap Caps safely:

- Do not throw snap caps in regular trash.
- Check local regulations for proper disposal methods for aluminum materials.
- Consider recycling options where available.

Contact Information for Further Support

For questions or concerns regarding the use of AZoom Snap Caps, please consult the product packaging or your retailer for contact information.

Please remember to always prioritize safety when using any training tools and to stay informed about product recalls and safety alerts through the EU's Safety Gate platform. Your safety and the safety of others depend on responsible usage and adherence to these guidelines.
