

AR 7.62X39 LULA® LOADER/UNLOADER - MAGLULA LTD. AR-15

7.62X39 LULA® LOADER/UNLOADER

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Magazine Speedloaders](#)

There are a number of magazines on the market that fill a unique niche of users who have AR-style rifles chambered in the popular 7.62x39 cartridge. For those rifle owners, the Maglula AR 7.62x39 Lula Loader & Unloader is built to work with specific magazines common to that platform. In particular, the Maglula AR 7.62x39 Lula Loader & Unloader functions with AR Stoner, ASC, C Products, D&H, 10-round Franklin Armory and Pro-Mag magazines. The company warns that, due to the lack of an anti-tilt follower in these magazines, loading the first three and last three rounds in the magazine may be challenging. However, the other rounds will load without issue. Works with 7.62x39 AR magazines only Saves thumbs from soreness of loading Reduces wear on magazine feed lips Compact, lightweight design for easy transport To cope with the thin sheet metal used in these magazines, the Maglula AR 7.62x39 Lula Loader & Unloader also features a metal magazine catch to resist pressure from the magazine edge during use. This may leave a mark on the magazine body, so the company warns users to avoid use of the Lula if these marks are an issue.

Attributes

- Name: [MAGLULA LTD. AR-15 7.62X39 LULA® LOADER/UNLOADER](#)

AR 7.62X39 LULA® LOADER/UNLOADER Safety Instructions

Introduction

Thank you for choosing the AR 7.62X39 LULA® LOADER/UNLOADER from Maglula Ltd. This product is designed to facilitate the loading and unloading of 7.62x39 magazines for ARstyle rifles. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this document.

General Safety Guidelines

- Always handle firearms and ammunition with care and in accordance with local laws and regulations.
- Ensure the firearm is unloaded before using the loader/unloader.
- Keep the loader/unloader out of reach of children and unauthorized users.
- Inspect the loader/unloader before each use to ensure it is in good condition.
- Do not use the loader/unloader with magazines that are damaged or excessively worn.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- The loader/unloader is designed for use with specific magazine brands: AR Stoner, ASC, C Products, D&H, 10round Franklin Armory, and ProMag.
- Due to the lack of an antitilt follower in these magazines, loading the first three and last three rounds may be challenging. Use caution during this process.
- The metal magazine catch may leave marks on the magazine body. If this is a concern, consider avoiding use of the loader/unloader.
- Always ensure that your hands are clear of the loading area while using the loader/unloader to avoid injury.
- Do not force the loader/unloader if you encounter resistance. Check for obstructions or misalignment.

Instructions for Installation and Usage

1. Setting Up the Loader/Unloader

- Hold the loader/unloader with the magazine catch facing down.
- Align the magazine with the loader/unloader, ensuring it is securely seated.

2. Loading the Magazine

- Insert the first round into the loader/unloader.
- Push down on the loader/unloader handle to seat the round into the magazine.
- Repeat this process for the next rounds, being cautious with the first three and last three rounds as mentioned.

3. Unloading the Magazine

- Position the magazine into the loader/unloader as described above.
- Pull the handle back to release each round from the magazine.
- Continue until the magazine is empty.

4. Storage

- After use, clean the loader/unloader as necessary and store it in a safe place.

Disposal Instructions

- Dispose of the loader/unloader in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is rendered unusable before disposal to prevent any potential misuse.

Contact Information for Further Support

For any questions or concerns regarding the AR 7.62X39 LULA® LOADER/UNLOADER, please refer to the manufacturer's website or contact your local distributor for support.

Remember to always prioritize safety when handling firearms and related accessories. Thank you for your attention to these safety guidelines.
