# Safety Instruction Guide for AR15/308 6Position Commercial Carbine Buffer Tube

## Introduction

Thank you for choosing the LuthAR AR15/308 6Position Commercial Carbine Buffer Tube. This guide provides important safety information, installation instructions, and proper usage guidelines to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the buffer tube for any signs of wear or damage.
- Store the buffer tube in a cool, dry place away from direct sunlight.
- Keep the buffer tube out of reach of children and vulnerable individuals.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always wear appropriate protective gear, such as safety glasses and gloves, when handling firearms and their components.
- Ensure that the firearm is unloaded before installing or adjusting the buffer tube.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm.
- Follow all local laws and regulations regarding the use of firearms.
- Do not exceed the manufacturer's recommended specifications for the buffer tube.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including a wrench and any other required equipment.

### 2. Installation Steps

- Remove the existing buffer tube from the firearm if applicable.
- Align the new LuthAR buffer tube with the receiver.
- Secure the buffer tube by tightening it to the manufacturer's specifications using the appropriate tools.
- Doublecheck that the buffer tube is securely attached and does not move.

### 3. Usage Guidelines

- After installation, ensure that the buffer tube is functioning correctly by cycling the action of the firearm.
- Regularly check the buffer tube for any signs of loosening or damage during use.
- Follow the manufacturer's guidelines for maintenance and cleaning of the buffer tube.

## Disposal Instructions

- Dispose of the buffer tube in accordance with local regulations.
- Do not dispose of the buffer tube in regular household waste.

- If the buffer tube is damaged or no longer usable, contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries, please contact your local distributor or the manufacturer directly. Ensure that you have the product details and any relevant information available for assistance.

By following these guidelines, you can help ensure your safety and the safety of others while using the LuthAR AR15/308 6Position Commercial Carbine Buffer Tube. Remember to report any unsafe products or incidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform. Thank you for your attention to safety.
