# Safety Instruction Guide for AR15 5.56MM Crush Washer

## Introduction

Thank you for choosing the LuthAR AR15 5.56MM Crush Washer. This product is designed for use with standard AR15 rifles and is essential for ensuring a secure fit of the muzzle device. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is compatible with your AR15 rifle before installation.
- Always handle firearms and related accessories with care.
- Store the Crush Washer in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the Crush Washer for signs of wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the Crush Washer only with 1/228 threaded muzzle devices.
- Do not exceed the manufacturer's recommended torque specifications when installing the Crush Washer.
- Avoid using the Crush Washer if it shows any signs of deformation or damage.
- Ensure that the Crush Washer is properly seated before use to prevent accidents.
- Always wear appropriate eye protection when working with firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a torque wrench.

### 2. Installation Steps

- Remove the existing muzzle device from your AR15 rifle.
- Clean the threads on the barrel to ensure a proper fit.
- Place the Crush Washer onto the barrel, ensuring it is oriented correctly.
- Install the muzzle device over the Crush Washer, ensuring it is aligned with the threads.
- Use a torque wrench to tighten the muzzle device according to the manufacturer's specifications. Do not overtighten.

### 3. PostInstallation Check

- Inspect the installation to ensure that the Crush Washer is properly seated and the muzzle device is secure.
- Perform a function check of the firearm to ensure everything operates correctly.

## Disposal Instructions

- Dispose of the Crush Washer in accordance with local regulations.
- Do not dispose of the Crush Washer in regular household waste.
- If the Crush Washer is damaged or no longer needed, consider recycling it if possible.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the LuthAR AR15 5.56MM Crush Washer, please consult the product packaging or visit the manufacturer's website for more information.

Thank you for your attention to these safety instructions. Your safety is our priority.
