## LuthAR

### Introduction

Thank you for purchasing the AR15 Front Swivel by LuthAR. This guide provides essential safety instructions and information to ensure the safe use and installation of the product. Please read this guide carefully before using the product to minimize potential hazards.

### General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the front swivel.
- Inspect the front swivel for any damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Use the product only with compatible AR15 rifles as specified by the manufacturer.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for updates on product recalls through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Ensure that the front swivel is securely attached to the rifle before use.
- Avoid placing excessive weight on the front swivel to prevent failure.
- Do not use the front swivel for purposes other than those intended by the manufacturer.
- Always wear appropriate protective gear when handling firearms.
- Be aware of your surroundings and ensure that the area is safe before using your firearm.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front swivel if applicable.
- Align the new front swivel with the mounting point on the rifle.
- Securely attach the front swivel using the appropriate tools, ensuring it is tightly fastened.
- Doublecheck the installation for stability before use.

#### 2. Usage:

- When using the front swivel, ensure that it is functioning correctly and securely attached.
- Check the swivel regularly during use to ensure it has not loosened.
- If any issues arise during use, cease operation immediately and inspect the front swivel.

### Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not dispose of the product in regular household waste. Instead, use designated disposal facilities for hazardous materials if applicable.
