

LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER - LITTLE CROW GUNWORKS. 250 SAVAGE TRIMMER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The “World’s Finest Trimmer” lets you trim more cases in less time - and with less effort - using your electric drill as a power source. The adjustable cutter rotates and shortens the case until the shoulder contacts the close-fitting stop that is mounted in a bearing to prevent it from rotating and marring the case. Simply pick up a case and push it against the cutter until the excess brass is removed. Once you have the trimmer set up and get a rhythm going, you can easily maintain a pace of 8-10 cases per minute – a joy to use! Durable aluminum and stainless steel construction, with a high-speed steel cutter for years of reliable service. Units only trim cartridge cases to length. They do not chamfer or deburr the case mouth during trimming. These don't come with a dowel.

Safety Instruction Guide for LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER

Introduction

Thank you for choosing the LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER for your cartridge trimming needs. This guide provides essential safety instructions to ensure the safe and effective use of your trimmer. Please read this guide carefully before using the product.

General Safety Guidelines

- Always use the trimmer in accordance with the manufacturer's instructions.
- Ensure that the trimmer is used in a wellventilated area.
- Keep the work area clean and organized to prevent accidents.
- Ensure that the trimmer is securely attached to the power source before use.
- Regularly inspect the trimmer for any signs of wear or damage.
- Use personal protective equipment, such as safety glasses and gloves, to protect against debris and sharp edges.
- Keep the trimmer out of reach of children and pets when not in use.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the trimmer in any way.
- Ensure that the cutter is properly adjusted before use to avoid excessive force.
- Always use cases that are compatible with the trimmer specifications.
- Avoid wearing loose clothing or jewelry that may become caught in the trimmer.
- Do not operate the trimmer if you are tired or under the influence of drugs or alcohol.
- If the trimmer malfunctions, disconnect it from the power source immediately and do not attempt to repair it yourself.

Instructions for Installation and Usage

1. Setup:

- Ensure that the trimmer is placed on a stable surface.
- Connect the trimmer to a compatible electric drill.
- Adjust the cutter to the desired length according to the specifications for your cartridge.

2. Trimming Process:

- Pick up a cartridge case and position it against the cutter.
- Apply gentle pressure to the case until the excess brass is trimmed away.
- Maintain a steady rhythm to achieve a pace of 810 cases per minute.
- After trimming, inspect the case for any burrs or sharp edges before use.

3. PostUsage:

- Disconnect the trimmer from the power source when not in use.
- Clean the trimmer after each use to remove any brass shavings or debris.
- Store the trimmer in a dry place, away from moisture and extreme temperatures.

Disposal Instructions

- When the trimmer reaches the end of its life cycle, dispose of it in accordance with local regulations for electronic waste.
- Ensure that all components are disposed of properly, particularly the cutter, which may be sharp.

Contact Information for Further Support

For any questions or concerns regarding the LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER, please refer to the manufacturer's contact information provided in the product packaging or visit the official website.

Remember: If you encounter any unsafe conditions or accidents, report them to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

Thank you for prioritizing safety while using your LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER. Enjoy your trimming experience!
