

LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER - LITTLE CROW GUNWORKS. 257 ROBERTS ACKLEY IMPROVED TRIMMER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The "World's Finest Trimmer" lets you trim more cases in less time - and with less effort - using your electric drill as a power source. The adjustable cutter rotates and shortens the case until the shoulder contacts the close-fitting stop that is mounted in a bearing to prevent it from rotating and marring the case. Simply pick up a case and push it against the cutter until the excess brass is removed. Once you have the trimmer set up and get a rhythm going, you can easily maintain a pace of 8-10 cases per minute - a joy to use! Durable aluminum and stainless steel construction, with a high-speed steel cutter for years of reliable service. Units only trim cartridge cases to length. They do not chamfer or deburr the case mouth during trimming. These don't come with a dowel.

Safety Instruction Guide for LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER

Introduction

Thank you for choosing the LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER. This guide provides important safety instructions and recommendations to ensure safe and effective use of the trimmer. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure safe use of the trimmer by following all instructions.
- Be aware of potential hazards associated with the use of power tools.
- Always keep the trimmer out of reach of children and vulnerable individuals.
- Regularly check for updates on product safety and recalls through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, while using the trimmer.
- Ensure your work area is clean, welllit, and free from distractions or hazards.
- Do not use the trimmer if you are tired, under the influence of medication, or alcohol.
- Only use the trimmer with a compatible electric drill as specified in the product manual.
- Keep hands, hair, and loose clothing away from the cutter while in operation.
- Do not attempt to modify or alter the trimmer in any way.
- If the trimmer becomes damaged or malfunctions, cease use immediately and contact customer support.

Instructions for Installation and Usage

1. Setup:

- Ensure you have a compatible electric drill.
- Attach the trimmer securely to the drill according to the manufacturer's instructions.
- Adjust the cutter to the desired length based on the cartridge specifications.

2. Trimming Process:

- Select a cartridge case and hold it firmly.
- Position the case against the cutter and apply gentle pressure.
- The cutter will rotate and trim the case until the shoulder contacts the stop.
- Remove the trimmed case and repeat the process with additional cases as needed.

3. Maintenance:

- Regularly clean the trimmer to prevent buildup of brass shavings.
- Inspect the cutter for wear and replace as necessary.
- Store the trimmer in a dry place when not in use.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the trimmer reaches the end of its life, check with local waste management authorities for proper

disposal methods.

- Do not dispose of the trimmer in regular household waste; follow electronic waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER, please consult the manufacturer's website or customer support services for assistance.

Thank you for your attention to these safety instructions. Enjoy using your trimmer safely and effectively!
