

LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER - LITTLE CROW GUNWORKS. 7MM TCU TRIMMER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The "World's Finest Trimmer" lets you trim more cases in less time - and with less effort - using your electric drill as a power source. The adjustable cutter rotates and shortens the case until the shoulder contacts the close-fitting stop that is mounted in a bearing to prevent it from rotating and marring the case. Simply pick up a case and push it against the cutter until the excess brass is removed. Once you have the trimmer set up and get a rhythm going, you can easily maintain a pace of 8-10 cases per minute - a joy to use! Durable aluminum and stainless steel construction, with a high-speed steel cutter for years of reliable service. Units only trim cartridge cases to length. They do not chamfer or deburr the case mouth during trimming. These don't come with a dowel.

Attributes

- Name: [LITTLE CROW GUNWORKS. 7MM TCU TRIMMER](#)
- Manufacturer: [LITTLE CROW GUNWORKS.](#)
- Product no.: 100028159
- Mfr. No.: LCG-WFT-7MM TCU

Safety Instruction Guide for LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER

Introduction

Thank you for choosing the LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER. This guide provides essential safety instructions to ensure the safe and effective use of your trimmer. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the trimmer is used in accordance with the manufacturer's instructions.
- Always use the trimmer in a wellventilated area.
- Keep the trimmer out of reach of children and vulnerable individuals.
- Regularly inspect the trimmer for any signs of damage or wear before use.
- If the trimmer appears damaged or malfunctions, cease use immediately and seek assistance.
- Follow all local regulations regarding the use of tools and equipment.

Specific Safety Precautions for Use

- Use the trimmer only with a compatible electric drill.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when operating the trimmer.
- Keep hands and other body parts clear of the cutter during operation.
- Do not attempt to modify or alter the trimmer in any way.
- Avoid wearing loose clothing or jewelry that could become entangled in the trimmer.
- Ensure the work area is clean and free of clutter to prevent accidents.
- Do not leave the trimmer unattended while in use.

Instructions for Installation and Usage

1. Setup

- Securely attach the trimmer to your electric drill according to the manufacturer's instructions.
- Ensure the cutter is properly aligned and secured before use.

2. Trimming Cases

- Place a cartridge case against the cutter.
- Apply gentle pressure until the excess brass is removed.
- Maintain a steady rhythm to achieve a pace of 810 cases per minute.

3. PostUse Care

- After use, disconnect the trimmer from the electric drill.
- Clean the trimmer to remove any brass shavings or debris.
- Store the trimmer in a safe location, out of reach of children.

Disposal Instructions

- Dispose of the trimmer in accordance with local regulations.
- Do not dispose of the trimmer in household waste if it contains any hazardous materials.
- Consider recycling options for aluminum and stainless steel components.

Contact Information for Further Support

For any safety inquiries or support regarding the LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER, please refer to the manufacturer's contact details provided in the product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER. Thank you for your attention to safety!
