

# WFT 2 TRIMMER - LITTLE CROW GUNWORKS. 30-06 ACKLEY IMPROVED TRIM CHAMBER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The WFT 2 is the next generation of WFT trimmers. The two main improvements are the ability to trim up to 45 caliber and interchange trim chambers. The WFT 2 has a half inch shaft and requires a half inch chuck to drive it. The feature most customers asked for was the ability to interchange trim chambers. Instead of press fitting the trim chambers, like the original WFT, the trim chambers on the WFT 2 are a slight slip fit in bearing with a groove cut for an O-ring which creates a press fit. Changing out trim chambers is accomplished by removing the cutter and pushing out the trim chamber with the knock-out dowel that is provided. Installing the trim chamber is accomplished by setting the trim chamber on a flat surface and steadily pushing the housing onto the trim chamber. Setting the cutter depth is easily adjusted by placing a "master case" in the trim chamber and sliding the cutter up to the case mouth and tightening down the set screws. Trimming is just as precise and clean as with our original trimmer. The trim chamber selection on the WFT 2 is by specific cartridge, but still trims by case family-just order the largest chamber in the family that you intend to trim. This unit and its inserts do not chamfer or deburr the case mouth of the cartridge case as it is trimmed. If you can't find the cartridge you need, please contact our Special Order Department at 800-741-0015

## Attributes

- Name: [LITTLE CROW GUNWORKS. 30-06 ACKLEY IMPROVED TRIM CHAMBER](#)
- Manufacturer: [LITTLE CROW GUNWORKS.](#)
- Product no.: 100028195
- Mfr. No.: LCG-WFT2-30-06
- Cartridge: 30-06 Improved 40
- Delivery weight: 0.018kg
- Shipping height: 25mm
- Shipping width: 51mm
- Shipping length: 102mm

# WFT 2 Trimmer Little Crow Gunworks Safety Instructions

## Introduction

Thank you for choosing the WFT 2 Trimmer from Little Crow Gunworks. This guide provides essential safety instructions and usage recommendations to ensure a safe and effective experience with your trimmer. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Always use the WFT 2 Trimmer as intended. Ensure that you follow all safety guidelines to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If you receive a recall notice, please follow the instructions provided.
- **Online Shopping Safety:** If you purchased this product online, ensure that the seller is reputable and meets all safety requirements.
- **Special Consumer Focus:** Keep the trimmer out of reach of children and vulnerable individuals. This product is not intended for use by children.
- **EU Contact Point:** For any safety inquiries, consult the relevant EU-based contact for assistance.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The trimmer contains sharp blades. Handle with care to avoid cuts.
  - Ensure the trimmer is securely attached to a stable surface before use.
  - Do not use the trimmer in wet conditions or near water to avoid electric shock.
- **Avoiding Hazards:**
  - Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when operating the trimmer.
  - Keep your hands away from the cutting area during operation.
  - Ensure that all adjustments and maintenance are performed with the trimmer unplugged.
- **Age-Specific Warning:**
  - This product is intended for adult use only. Do not allow children to operate or handle the trimmer.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure you have a halfinch chuck to drive the trimmer.
  2. Place the trimmer on a stable, flat surface.
  3. Secure the trimmer in place to prevent movement during operation.
  4. Attach the appropriate trim chamber for the cartridge you intend to use.
- **Usage:**
  1. Adjust the cutter depth by placing a "master case" in the trim chamber.

2. Slide the cutter up to the case mouth and tighten down the set screws.
3. To trim, insert the cartridge case into the trim chamber.
4. Engage the trimmer and allow it to operate until the trimming process is complete.
5. After use, remove the cartridge case and inspect for any debris or residue.

- **Changing Trim Chambers:**

1. Remove the cutter from the trimmer.
2. Use the provided knockout dowel to push out the trim chamber.
3. To install a new trim chamber, place it on a flat surface and push the housing onto the trim chamber.

## **Disposal Instructions**

- **Disposal of the Trimmer:**

- When the product reaches the end of its life cycle, dispose of it in accordance with local regulations.
- Consider recycling components where possible.

- **Disposal of Packaging:**

- Dispose of all packaging materials responsibly. Recycle cardboard and plastic where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the WFT 2 Trimmer, please consult the appropriate support channels available in your region. It is important to ensure that you have access to assistance if needed.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your WFT 2 Trimmer!
