

WFT 2 TRIMMER - LITTLE CROW GUNWORKS. 30-30 WINCHESTER ACKLEY IMPROVED TRIM CHAMBER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The WFT 2 is the next generation of WFT trimmers. The two main improvements are the ability to trim up to 45 caliber and interchange trim chambers. The WFT 2 has a half inch shaft and requires a half inch chuck to drive it. The feature most customers asked for was the ability to interchange trim chambers. Instead of press fitting the trim chambers, like the original WFT, the trim chambers on the WFT 2 are a slight slip fit in bearing with a groove cut for an O-ring which creates a press fit. Changing out trim chambers is accomplished by removing the cutter and pushing out the trim chamber with the knock-out dowel that is provided. Installing the trim chamber is accomplished by setting the trim chamber on a flat surface and steadily pushing the housing onto the trim chamber. Setting the cutter depth is easily adjusted by placing a "master case" in the trim chamber and sliding the cutter up to the case mouth and tightening down the set screws. Trimming is just as precise and clean as with our original trimmer. The trim chamber selection on the WFT 2 is by specific cartridge, but still trims by case family-just order the largest chamber in the family that you intend to trim. This unit and its inserts do not chamfer or deburr the case mouth of the cartridge case as it is trimmed. If you can't find the cartridge you need, please contact our Special Order Department at 800-741-0015

Attributes

- Name: [LITTLE CROW GUNWORKS. 30-30 WINCHESTER ACKLEY IMPROVED TRIM CHAMBER](#)
- Manufacturer: [LITTLE CROW GUNWORKS.](#)
- Product no.: 100028196
- Mfr. No.: LCG-WFT2-30-30
- Cartridge: 30-30 Winchester
- Delivery weight: 0.018kg
- Shipping height: 25mm
- Shipping width: 51mm
- Shipping length: 102mm

Safety Instruction Guide for WFT 2 Trimmer Little Crow Gunworks

Introduction

Thank you for choosing the WFT 2 Trimmer from Little Crow Gunworks. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure safe and effective operation of your trimmer. Please read this guide carefully before using the product.

General Safety Guidelines

- Always use the trimmer in accordance with the manufacturer's instructions.
- Ensure that the trimmer is used only for its intended purpose: trimming cases for reloading.
- Keep the trimmer out of reach of children and vulnerable individuals.
- Inspect the trimmer and its components regularly for any signs of damage or wear.
- Do not use the trimmer if it is damaged or malfunctioning.
- Always wear appropriate personal protective equipment (PPE), including safety glasses, when operating the trimmer.
- Be aware of your surroundings and ensure that the work area is clean and free of hazards.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Sharp cutting edges may cause cuts or injuries.
 - Small parts, such as trim chambers, may pose a choking hazard if mishandled.
- **Avoiding Hazards:**
 - Always handle the trimmer and its components with care to avoid sharp edges.
 - Do not attempt to modify or alter the trimmer in any way.
 - Ensure that the trimmer is securely fastened in the chuck before use to prevent accidents.
- **Age Specific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the trimmer is disconnected from any power source before installing the trim chamber.
 2. Remove the cutter from the trimmer.
 3. Place the trim chamber on a flat surface.
 4. Align the housing with the trim chamber and push it steadily onto the chamber until secure.
 5. Reinstall the cutter once the trim chamber is in place.
- **Usage:**
 1. Insert a "master case" into the trim chamber.
 2. Adjust the cutter depth by sliding the cutter up to the case mouth.
 3. Tighten the set screws to secure the cutter in position.
 4. Ensure a firm grip on the trimmer and operate it at a safe speed.
 5. After trimming, remove the case and inspect for any debris or residue.

Disposal Instructions

- Dispose of the trimmer and its components in accordance with local regulations.
- Do not dispose of the trimmer in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the WFT 2 Trimmer, please refer to the contact information provided on the product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and efficient experience with your WFT 2 Trimmer. Thank you for your attention to safety and for choosing Little Crow Gunworks.
