

WFT 2 TRIMMER - LITTLE CROW GUNWORKS. 300 DAKOTA TRIM CHAMBER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The WFT 2 is the next generation of WFT trimmers. The two main improvements are the ability to trim up to 45 caliber and interchange trim chambers. The WFT 2 has a half inch shaft and requires a half inch chuck to drive it. The feature most customers asked for was the ability to interchange trim chambers. Instead of press fitting the trim chambers, like the original WFT, the trim chambers on the WFT 2 are a slight slip fit in bearing with a groove cut for an O-ring which creates a press fit. Changing out trim chambers is accomplished by removing the cutter and pushing out the trim chamber with the knock-out dowel that is provided. Installing the trim chamber is accomplished by setting the trim chamber on a flat surface and steadily pushing the housing onto the trim chamber. Setting the cutter depth is easily adjusted by placing a "master case" in the trim chamber and sliding the cutter up to the case mouth and tightening down the set screws. Trimming is just as precise and clean as with our original trimmer. The trim chamber selection on the WFT 2 is by specific cartridge, but still trims by case family-just order the largest chamber in the family that you intend to trim. This unit and its inserts do not chamfer or deburr the case mouth of the cartridge case as it is trimmed. If you can't find the cartridge you need, please contact our Special Order Department at 800-741-0015

Attributes

- Name: [LITTLE CROW GUNWORKS. 300 DAKOTA TRIM CHAMBER](#)
- Manufacturer: [LITTLE CROW GUNWORKS.](#)
- Product no.: 100028199
- Mfr. No.: LCGWFT2300DA
- Cartridge: 300 Dakota
- Delivery weight: 0.018kg
- Shipping height: 25mm
- Shipping width: 51mm
- Shipping length: 102mm

WFT 2 Trimmer Little Crow Gunworks Safety Instruction Guide

Introduction

Thank you for choosing the WFT 2 Trimmer from Little Crow Gunworks. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide thoroughly before using the trimmer.

General Safety Guidelines

- Ensure safe use of the WFT 2 Trimmer by following these guidelines:
 - Always use the trimmer in a wellventilated area.
 - Keep the work area clean and organized to avoid accidents.
 - Do not operate the trimmer if you are tired, under the influence of drugs or alcohol, or if you are feeling unwell.
 - Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
 - Ensure that all components are correctly assembled before use.
 - Keep hands and other body parts away from moving parts during operation.

Specific Safety Precautions for Use

- When using the WFT 2 Trimmer, please observe the following precautions:
 - Always ensure that the trimmer is securely attached to a compatible halfinch chuck before operation.
 - Do not exceed the designated caliber limits (up to .45 caliber).
 - Be cautious when changing trim chambers; use the provided knockout dowel to avoid injury.
 - Adjust the cutter depth only when the trimmer is powered off.
 - Do not attempt to modify or repair the trimmer yourself. Contact a professional for repairs.
 - If you notice any unusual sounds or vibrations during operation, stop using the trimmer immediately and inspect for issues.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the WFT 2 Trimmer:

1. Installation of Trim Chamber:

- Place the trim chamber on a flat surface.
- Align the housing with the trim chamber.
- Steadily push the housing onto the trim chamber until it is secure.

2. Setting Cutter Depth:

- Insert a “master case” into the trim chamber.
- Slide the cutter up to the case mouth.
- Tighten the set screws to secure the cutter in place.

3. Trimming Process:

- Ensure that the trimmer is securely mounted and powered.
- Feed the cartridge case into the trim chamber.

- Activate the trimmer and allow it to operate until trimming is complete.
- Remove the trimmed case and inspect for precision and cleanliness.

Disposal Instructions

- Proper disposal of the WFT 2 Trimmer and its components is essential:
 - Do not dispose of the trimmer in regular household waste.
 - Follow local regulations for electronic waste disposal.
 - Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

- For any inquiries or support regarding the WFT 2 Trimmer, please refer to the manufacturer's contact details provided in the product packaging or on the manufacturer's website.

This safety instruction guide is designed to ensure your safe and effective use of the WFT 2 Trimmer. By following these guidelines, you can enjoy the benefits of your new tool while minimizing risks. Thank you for your attention to safety!
