

# TRIJICON MRO AK UPPER MOUNT - RS REGULATE TRIJICON MRO UPPER MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

## For Installing the Popular AR-15 Optic on Your Kalashnikov

The AKMT Trijicon MRO Mount allows you to attach the popular, compact MRO red dot sight to any RS Regulate AK-300 series lower optic mount. The RS AK-300 system pairs a "lower" mount that attaches to the side rail of a Kalashnikov-pattern (AK-47 / AK-74 / AKM) rifle with an "upper" mount that interfaces with a specific optic model. This system makes it possible to securely - and precisely - mount popular AR-15 tactical optics on an AK. Due to variations in AK rifles manufactured in different factories at different times, the RS Regulate AKMT Trijicon MRO Mount allows the user to adjust both the over-bore height and front-to-back position of the optic to ensure it is placed for perfect eye relief and a comfortable head position. Strong yet light 6061 T6 aluminum construction Touch matte black hardcoat anodized finish Accepts Trijicon MRO red dot sight RS AK-300 series lower mount required, sold separately The RS mounting system is purposely designed not to require replacement of actual components on the rifle. More importantly, it will NOT interfere with the reliable operation of the rifle. When your AKMT mount is correctly installed on the lower rail mount, there will be absolutely NO movement between the parts, ensuring your Trijicon MRO stays correctly sighted in, even after a long, high-volume shooting session.

## Attributes

- Name: [RS REGULATE TRIJICON MRO UPPER MOUNT](#)
- Manufacturer: [RS REGULATE](#)
- Product no.: 100028369
- Mfr. No.: AKMT
- Colour: Matte Black

# TRIJICON MRO AK UPPER MOUNT RS REGULATE

## Safety Instruction Guide

### Introduction

Thank you for choosing the TRIJICON MRO AK UPPER MOUNT RS REGULATE. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

### General Safety Guidelines

- **Product Safety:** Ensure safe use of the TRIJICON MRO AK UPPER MOUNT by following all instructions.
- **Enhanced Recalls:** Stay informed about product recalls and safety notices.
- **Online Shopping:** Ensure that you purchase from authorized retailers to guarantee product safety.
- **Special Consumer Focus:** This product is designed for adult users. Keep out of reach of children.
- **EU Contact Point:** For safety inquiries, please consult your local regulatory authority.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on unsafe products.

### Specific Safety Precautions for Use

- Always verify that the mount is compatible with your specific AK300 series lower optic mount before installation.
- Inspect the mount and the Trijicon MRO red dot sight for any damage before use.
- Ensure that the mount is securely attached to the rifle before each use.
- Avoid using the mount in extreme weather conditions that may affect performance.
- Do not attempt to modify the mount or any of its components.
- Always ensure that the rifle is pointed in a safe direction when installing or adjusting the mount.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure that you have all necessary tools for installation.
- Make sure the rifle is unloaded and pointed in a safe direction.

#### 2. Installation Steps:

- Locate the side rail on your Kalashnikov pattern rifle.
- Align the RS Regulate AK300 series lower mount with the side rail.
- Secure the lower mount to the rifle using the provided hardware.
- Attach the TRIJICON MRO AK UPPER MOUNT to the lower mount.
- Adjust the overbore height and front-to-back position of the optic for optimal eye relief and head position.
- Tighten all screws securely to ensure no movement occurs between parts.

#### 3. Usage:

- Regularly check the mount for tightness and secure fit, especially after extensive use.
- Use the Trijicon MRO red dot sight as per the manufacturer's instructions for optimal performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIJICON MRO AK UPPER MOUNT RS REGULATE, please consult your local regulatory authority or authorized dealer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your TRIJICON MRO AK UPPER MOUNT RS REGULATE. Thank you for your attention to safety.
