

# TRIJICON ACOG COMPACT AK UPPER MOUNT - RS REGULATE

## TRIJICON ACOG COMPACT AK UPPER MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

### For Secure, Stable Mounting of an ACOG on Your AK

The AKOT Trijicon ACOG Compact Mount helps you obtain a rock-solid installation of the popular ACOG red dot on your Kalashnikov-pattern rifle (AK-47, AK-74, AKM, and clones). It mates to any of RS Regulate's AK-300 series "lower" optic mounts, which attach to the rifle's to the side rail. Working together, the lower mount and the AKOT let you enjoy the full benefit of an AR-15 tactical optics on an AK. Due to variations in AK rifles manufactured in different factories at different times, the RS Regulate AKOT Trijicon ACOG Compact Mount allows the user to adjust both the front-to-back position and over-bore height of the optic to ensure it is placed for perfect eye relief and a comfortable head position. Sturdy 6061 T6 aluminum construction Touch matte black hardcoat anodized finish Accepts Trijicon Compact ACOG red dot sight, including TA33, TA44 & TA50 RS AK-300 series lower mount required, sold separately The RS mounting system is purposely designed not to require replacement of actual components on the rifle. More importantly, it will NOT interfere with the reliable operation of the rifle. When your AKOT mount is correctly installed on the lower rail mount, there will be absolutely NO movement between the parts, ensuring your compact Trijicon ACOG stays correctly sighted in, even after long, high-volume range sessions.

### Attributes

- Name: [RS REGULATE TRIJICON ACOG COMPACT AK UPPER MOUNT](#)
- Manufacturer: [RS REGULATE](#)

# TRIJICON ACOG COMPACT AK UPPER MOUNT Consumer Safety Instruction Guide

## Introduction

Thank you for choosing the TRIJICON ACOG Compact AK Upper Mount. This guide provides important safety instructions and information to ensure the safe use and installation of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is installed and used according to the instructions provided in this guide.
- Always handle firearms and accessories with care and follow all applicable safety regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the mount and the optic for any signs of wear or damage before each use.
- If you notice any defects or if the mount does not securely hold the optic, discontinue use immediately and contact a qualified professional.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the mount is compatible with your specific AK model (AK47, AK74, AKM, and clones).
- Always confirm that the mount is securely attached to the lower rail before use.
- Avoid placing excessive weight or pressure on the mount that could lead to misalignment or damage.
- Do not attempt to modify the mount or the optic in any way that could compromise safety or functionality.
- Be aware of your surroundings when using the firearm equipped with the mount, and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation, including a torque wrench (if required).
- Ensure that the firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps:

- Locate the RS Regulate AK300 series lower mount on your rifle.
- Align the AKOT Trijicon ACOG Compact Mount with the lower mount.
- Securely attach the mount using the provided screws, ensuring that they are tightened to the manufacturer's specifications.
- Adjust the fronttoback position and overbore height of the optic as needed for optimal eye relief and head position.

### 3. Usage:

- Once installed, verify that the optic is securely mounted and properly aligned.
- Test the mount by gently applying pressure to ensure there is no movement between the parts.
- Use the optic as intended, following all safety protocols for firearm operation.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the mount is no longer in use or is damaged beyond repair, dispose of it responsibly, considering recycling options where available.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the TRIJICON ACOG Compact AK Upper Mount, please refer to the manufacturer's website or contact their customer support for assistance.

This guide is intended to provide essential safety information and instructions for the TRIJICON ACOG Compact AK Upper Mount. By following these guidelines, you can ensure a safe and effective experience with your product. Thank you for your attention to safety.
