

AK47/YUGO SPEC 0.66" BARREL RAIL MOUNT - RS REGULATE

AK-47/YUGO SPEC 0.66 BARREL ACCESSORY MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Easy, Forward Mount for a Tactical Weaponlight - Avoids Handguard Clutter

With the BM-2 AK-47 / Yugo Barrel Accessory Mount, RS Regulate solves an age-old problem for AK fans: how to install a weaponlight on your rifle without resorting to a railed handguard. The BM-2 clamps securely to the barrel, and you attach the light to the mount's short Picatinny rail section. Works just as well for laser sights, maybe even some night vision devices, too. 6061 T6 aluminum, hardcoat anodized, matte black 4 Picatinny slots Near-360° positioning - put it exactly where you want it Typically will not interfere with cleaning rod Fits .66" O.D. AK-47 / Yugo barrels The RS Regulate BM-2 AK-47 / Yugo accessory mount is a minimalist piece of gear that adds negligible weight and bulk to the front of your rifle. It fits .66" O.D. AK-47 barrels - so if you've upgraded to a heavier barrel, measure before ordering. (We also offer the BM-7 mount, which fits .75" O.D. barrels.)

AK47/YUGO SPEC 0.66" BARREL RAIL MOUNT RS REGULATE Safety Instruction Guide

Introduction

Thank you for choosing the RS Regulate AK47/Yugo Spec 0.66" Barrel Rail Mount. This guide provides essential safety instructions to ensure the safe and proper use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm accessories.
- Inspect the product for any visible damage before use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the mount.
- Do not exceed the manufacturer's specifications for weight and accessories attached to the mount.
- Avoid placing the mount in locations that may obstruct the operation of the firearm.
- Regularly check the mount for tightness and security during use.
- Be cautious of sharp edges and parts during installation and handling.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded.
- Clean the barrel area where the mount will be installed.
- Position the BM2 mount on the barrel, ensuring it fits securely around the .66" O.D. AK47 or Yugo barrel.
- Tighten the clamp securely to hold the mount in place without overtightening.
- Attach your weaponlight or accessory to the Picatinny rail section of the mount.

2. Usage

- Once installed, check the stability of the mount before use.
- Adjust the positioning of your light or accessory as needed for optimal operation.
- Regularly inspect the mount during use to ensure it remains secure.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Contact local waste management services if you are unsure about disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and operation of your RS Regulate AK47/Yugo Spec 0.66" Barrel Rail Mount, please refer to the manufacturer's contact information provided in the product packaging or

visit the official website.

By following these safety instructions, you can ensure a safe and effective experience with your RS Regulate AK47/Yugo Spec 0.66" Barrel Rail Mount. Thank you for your attention to safety.
