## **CENTURY C39V2/RAS47 BARREL ACCESSORY MOUNT**

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

### **Secure, Low-Profile Light / Laser Mount for Your AK**

The RS Regulate BM-3 accessory mount enables easy installation of a weaponlight on Century Arms C39V2 and RAS47 rifles or other AK-47 type rifle with a similar barrel diameter. It solves the long-standing problem for AK fans: how to install a weaponlight on without resorting to a railed handguard. The BM-3 clamps securely to the barrel, and you attach the light to the mount's short Picatinny rail section. Works just as well for laser sights or even some night vision devices (we haven't tried it yet). 6061 T6 aluminum, hardcoat anodized, matte black Near-360° positioning - put it exactly where you want it 4 Picatinny slots Typically will not interfere with cleaning rod Fits barrels with .690" O.D. behind the gas block Although the RS Regulate BM-3 accessory mount is designed specifically for the popular Century's popular C39V2 and RAS47 rifles, it will fit any AK-47 / AK-74 / AKM rifle with a .690" barrel. And it adds minimal weight and bulk to the front of your rifle, so handling and operation won't be affected.

### **Attributes**

# Safety Instruction Guide for CENTURY C39V2/RAS47 BARREL RAIL MOUNT RS REGULATE

## Introduction

Thank you for choosing the RS Regulate BM3 accessory mount for your Century Arms C39V2 or RAS47 rifle. This safety instruction guide provides essential information to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the accessory mount and follow all instructions to avoid accidents.
- **Enhanced Recalls:** Stay informed about any recall notices that may affect your product. You can find updates on the EU Safety Gate platform.
- **Online Shopping Protections:** If purchased online, ensure the platform complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the seller or manufacturer.
- **Rapid Alerts:** Check the Safety Gate system for updates on unsafe products.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to equipment failure or personal injury.
  - Ensure the mount is compatible with your rifle's barrel diameter (0.690" O.D. behind the gas block).
- **Avoid Excessive Force:** Do not overtighten the clamps, as this may damage the barrel or mount.
- **Regular Inspection:** Periodically check the mount for signs of wear or damage. Replace if necessary.
- **Use Proper Accessories:** Only use accessories that are compatible with the Picatinny rail section of the mount.
- **Handling with Care:** Always handle the rifle with care when the mount and accessories are attached.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the necessary tools for installation.
- Verify that your rifle's barrel diameter is compatible with the mount.

### 2. Installation Steps:

- Clean the area of the barrel where the mount will be attached to ensure a secure fit.
- Position the BM3 mount on the barrel, ensuring it is aligned properly.
- Use the clamps to secure the mount to the barrel. Ensure it is tight but do not overtighten.
- Attach your weaponlight or accessory to the Picatinny rail section of the mount.

### 3. Usage Instructions:

- Once installed, ensure that the mount is secure before using the rifle.
- Adjust the position of the accessory as needed for optimal performance.
- Always verify the functionality of the accessory after installation.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.
- Ensure that any electronic components are disposed of properly to minimize environmental impact.

## Contact Information for Further Support

For any inquiries regarding safety or installation, please refer to the contact information provided by the seller or manufacturer.
