

SAIGA/VEPR 12 GAUGE SHOTGUN ACCESSORY MOUNT - RS REGULATE SAIGA-12/VEPR-12 BARREL ACCESSORY MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Secure, Stable, Low-Profile Forward Light Mount for Your AK Shotgun

Kalashnikov-pattern shotguns present their owners with the same problem as the rifles: mounting a weaponlight is difficult without resorting to a bulky railed handguard that's not always comfortable for the support hand. RS Regulate's BM-17 accessory mount solves the problem by clamping securely to your Saiga-12 or Vepr-12 shotgun's barrel. You mount the light (or a laser or NVD) to the Picatinny rail section on the BM-17. Thanks to its three piece design, the RS Regulate BM-12 barrel mount easily adjusts for the inconsistencies of Russian-made barrels, yet remains solidly in place on your barrel, even after long range sessions. 6061 T6 aluminum, hardcoat anodized, matte black 4 Picatinny slots Near-360° positioning - put it exactly where you want it Fits Saiga-12 and Vepr-12 - or similar AK-pattern shotgun with .87" O.D. barrel The RS Regulate BM-12 accessory mount is adds minimal weight and bulk to the front of your shotgun, so handling and operation are unaffected. An excellent upgrade to your home defense or 3-gun competition AK 12 gauge!

Safety Instruction Guide for SAIGA/VEPR 12 GAUGE SHOTGUN ACCESSORY MOUNT

Introduction

Thank you for choosing the SAIGA/VEPR 12 Gauge Shotgun Accessory Mount by RS Regulate. This guide provides essential safety instructions to ensure the safe use and installation of your accessory mount. Please read this document carefully before use to understand the safety precautions and guidelines.

General Safety Guidelines

- Ensure that the product is suitable for your specific shotgun model (Saiga12 or Vepr12).
- Always follow the manufacturer's instructions for installation and use.
- Regularly inspect the accessory mount for signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure the shotgun is unloaded before installation.
 - Use appropriate tools as specified in the installation instructions.
- **Handling Safety:**
 - Always treat your shotgun as if it is loaded.
 - Do not point the shotgun at anything you do not intend to shoot.
- **Operational Safety:**
 - Be aware of your surroundings when using your shotgun.
 - Use the accessory mount only for its intended purpose.
- **Maintenance Safety:**
 - Clean the accessory mount regularly to ensure optimal performance.
 - Avoid using solvents or chemicals that can damage the mount.

Instructions for Installation and Usage

1. Preparation:

- Ensure your shotgun is completely unloaded.
- Gather the necessary tools for installation.

2. Installation Steps:

- Locate the barrel of your Saiga12 or Vepr12 shotgun.
- Position the RS Regulate BM12 accessory mount on the barrel.
- Adjust the mount to fit snugly, ensuring it is aligned with the desired Picatinny rail section.
- Securely clamp the mount to the barrel using the provided hardware, ensuring it is firmly in place.

3. Using the Accessory Mount:

- Attach your weaponlight, laser, or NVD to the Picatinny rail section.
- Adjust the positioning of the accessory as needed for optimal use.
- Regularly check that the accessory remains securely mounted during use.

4. PostUse:

- After use, clean the accessory mount and check for any signs of wear.
- Store the shotgun and accessory mount in a safe place.

Disposal Instructions

- Dispose of the accessory mount in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond use, contact local waste management for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the SAIGA/VEPR 12 Gauge Shotgun Accessory Mount, please refer to your retailer or manufacturer contact information.

By following these guidelines and precautions, you can ensure a safe and effective experience with your RS Regulate accessory mount. Thank you for your attention to safety.
