

# AR-15 AMBI SPEED SAFETY - ELFTMANN AMBI SPEED SAFETY STAINLESS

[Rifle Parts](#) > [Safety Parts](#) > [Safeties](#)

The Elftmann Tactical AR-15 Ambi Speed Safety ensures that you can quickly and easily move your AR-15 from "Safe" to "Fire" and back again with one easy, simple movement. The selector requires zero movement of the shooter's dominant hand to actuate and is machined from hardened stainless steel. The safety ships with the required detent and fits all standard mil-spec AR-15 receivers. Available finish options are black oxide or polished stainless steel. The ambidextrous selector does not work with Hiperfire triggers.

# Safety Instruction Guide for Elftmann Tactical AR15 Ambi Speed Safety

## Introduction

Thank you for choosing the Elftmann Tactical AR15 Ambi Speed Safety. This product is designed to enhance the safety and functionality of your AR15 firearm. Please read this safety instruction guide thoroughly to ensure safe and effective usage.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the firearm is pointed in a safe direction at all times.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and safety mechanisms for wear and damage.
- If you are unsure about using the safety, seek guidance from a qualified firearms instructor.

## Specific Safety Precautions for Use

- The Elftmann Tactical AR15 Ambi Speed Safety is designed for use with standard milspec AR15 receivers only.
- This safety does not function with Hiperfire triggers; ensure compatibility before installation.
- Avoid using excessive force when operating the safety selector to prevent damage.
- Be aware of the selector's position at all times, especially when transitioning between "Safe" and "Fire."
- Do not attempt to modify or alter the safety mechanism in any way.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Required Tools:** Ensure you have the necessary tools, including a punch tool and a hammer.
2. **Remove Existing Safety:**
  - Clear your firearm and ensure it is unloaded.
  - Use the punch tool to remove the existing safety selector from your AR15 receiver.
3. **Install the Ambi Speed Safety:**
  - Insert the Elftmann Ambi Speed Safety into the receiver.
  - Ensure that the selector is positioned correctly for proper operation.
  - Secure the safety in place with the provided detent.
4. **Test the Selector:**
  - Before reassembling your firearm, test the safety selector to ensure it operates smoothly between "Safe" and "Fire."

### Usage Instructions

- To engage the safety, move the selector to the "Safe" position.
- To disengage the safety and prepare to fire, move the selector to the "Fire" position.
- Always check the safety's position before handling or firing your firearm.

## Disposal Instructions

- Dispose of the Elftmann Tactical AR15 Ambi Speed Safety in accordance with local regulations for metal products.

- Do not dispose of the safety in regular household waste. Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product support, please consult your local firearms dealer or manufacturer's website. Always ensure you have access to updated safety information and product recalls.

## **Conclusion**

By following these safety instructions, you can ensure that your Elftmann Tactical AR15 Ambi Speed Safety is used effectively and safely. Always prioritize safety when handling firearms and stay informed about best practices.
