

# BRASS CATCHER - TACSTAR BRASS CATCHER

[Shooting Accessories](#) > [Range Gear](#) > [Shell Catchers & Deflectors](#)

## Keep Your Range Brass Secured

How much time do shooter spend after a range session with their heads down, backs crouched over, looking for spent pieces of AR-15 brass? Whatever the number, the TacStar AR-15 Brass Catcher cuts that time to zero, enabling shooters to spend more time plinking and less time cleaning up. The TacStar AR-15 Brass Catcher uses a Picatinny-rail mounting apparatus that attaches easily to any flattop AR-15 without interfering with optics or other accessories. After shooting, the bag can be removed from the mount without undoing the rail assembly, enabling easy cleanup. Made from heat-resistant Nylon Holds up to 120 spent .223 Rem. shells Color: Black The TacStar AR-15 Brass Catcher is also flexible enough to work with nearly any AR-15 on the market, regardless of caliber or setup.

## Attributes

- Name: [TACSTAR BRASS CATCHER](#)

# **BRASS CATCHER TACSTAR BRASS CATCHER**

## **Safety Instruction Guide**

### **Introduction**

Thank you for choosing the TacStar AR15 Brass Catcher. This guide provides important safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the Brass Catcher.

### **General Safety Guidelines**

- Always ensure the firearm is unloaded before attaching or detaching the Brass Catcher.
- Use the Brass Catcher only with compatible AR15 models.
- Keep the Brass Catcher clean and free from debris to ensure proper function.
- Regularly inspect the Brass Catcher for signs of wear or damage.
- Do not exceed the recommended capacity of 120 spent .223 Rem. shells.
- Store the Brass Catcher in a cool, dry place when not in use.
- Ensure that children and vulnerable individuals do not have access to the Brass Catcher or any related equipment.

### **Specific Safety Precautions for Use**

- When using the Brass Catcher, maintain a safe distance from others to prevent injury from ejected casings.
- Do not attempt to modify or alter the Brass Catcher in any way.
- If the Brass Catcher becomes damaged during use, discontinue use immediately and replace it.
- Be aware of your surroundings when shooting to avoid accidents.
- Always wear appropriate eye and ear protection when shooting.

### **Instructions for Installation and Usage**

#### **Installation**

1. Ensure your AR15 is unloaded.
2. Locate the Picatinny rail on your flattop AR15.
3. Align the Brass Catcher's mounting apparatus with the rail.
4. Slide the Brass Catcher onto the rail until it is securely attached.
5. Check that the Brass Catcher does not obstruct your optics or other accessories.

#### **Usage**

1. After shooting, the Brass Catcher will collect spent .223 Rem. shells.
2. Once you are finished shooting, carefully remove the Brass Catcher from the mount.
3. Empty the contents of the Brass Catcher into a designated container for spent brass.
4. Clean the Brass Catcher with a damp cloth if necessary, ensuring it is dry before storage.

### **Disposal Instructions**

- Dispose of any damaged or unusable Brass Catcher parts in accordance with local regulations.
- Recycle the Brass Catcher if it is made from recyclable materials, following your local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the TacStar AR15 Brass Catcher, please refer to the manufacturer's website or contact customer support. Ensure you have the product details at hand for efficient assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your TacStar AR15 Brass Catcher. Thank you for prioritizing safety.
