

PISTOL VIPER BORESNAKE WITH DEN - HOPPES 44-45 CALIBER BORESNAKE WITH DEN

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Snakes](#)

All-In-One, Pull-Through Cleaning System

The Pistol Viper Bore Snake is a braided nylon, pull-through cleaning cord that scrubs, cleans, and lubricates in a single step. The Pistol Viper is just like the original Bore Snake, with 50% more scrubbing surface for those extra-tough cleaning jobs. Calibers: .22, .30, .32, 9mm, .357, .380, .38, .40, .41, .44, .45. Simply apply bore cleaner to the front of the cord, oil to the end, drop the weighted end down the bore, and pull through. The cone-shaped, nylon bore guide on the lead end protects your gun's rifling. Extra, built-in bronze brushes and braided cord clean and oil the bore in a few passes. Washable and reusable with "den" case for storage.

Pistol Viper Bore Snake Safety Instruction Guide

Introduction

Thank you for choosing the Pistol Viper Bore Snake with Den Hoppes 4445 Caliber Bore Snake. This product is designed to provide effective cleaning for your firearms in a simple and efficient manner. To ensure your safety and the safe use of this product, please read and follow the instructions outlined in this guide.

General Safety Guidelines

- Always read the product instructions before use.
- Ensure the firearm is unloaded and pointed in a safe direction before cleaning.
- Keep the Bore Snake out of reach of children and vulnerable individuals.
- Regularly inspect the Bore Snake for wear or damage before each use.
- Do not use the Bore Snake with any other cleaning agents not specified in this guide.
- Report any unsafe products or accidents to the proper authorities.

Specific Safety Precautions for Use

- Use only on firearms of the specified calibers: .22, .30, .32, 9mm, .357, .380, .38, .40, .41, .44, and .45.
- Always wear safety glasses when cleaning your firearm.
- Avoid using excessive force when pulling the Bore Snake through the barrel.
- Ensure the cleaning area is wellventilated when using bore cleaners or oils.
- Store the Bore Snake in a safe and dry place when not in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather necessary cleaning supplies, including bore cleaner and oil.

2. Applying Cleaner:

- Apply bore cleaner to the front of the Bore Snake cord.
- Apply oil to the weighted end of the cord.

3. Using the Bore Snake:

- Drop the weighted end of the Bore Snake down the bore of the firearm.
- Pull the Bore Snake through the barrel in a smooth motion.
- Repeat the process as necessary for thorough cleaning.

4. PostCleaning:

- Inspect the Bore Snake for any signs of wear or damage.
- Wash the Bore Snake according to the manufacturer's instructions to ensure it remains reusable.
- Store the Bore Snake in the provided "den" case for protection and organization.

Disposal Instructions

- Dispose of any used cleaning agents or oils in accordance with local regulations.
- If the Bore Snake is damaged beyond repair, dispose of it in a safe manner to prevent any risk of injury.

Contact Information for Further Support

For any questions or concerns regarding the Pistol Viper Bore Snake, please refer to the manufacturer's contact details provided with the product packaging. Ensure you have your purchase information handy when seeking assistance.

Thank you for prioritizing safety while using the Pistol Viper Bore Snake. Enjoy your cleaning experience and ensure your firearm remains in optimal condition.
